GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From A. WILLIAMS, Esq., Deputy Secretary to the Government of India Home Department (Education), to the Secretary to the Government of Madras, Educational Department, dated Calcutta, the 24th January 1902, No. 78.

I am directed to forward, for the information of the Governor in Council, a copy of a despatch, and its enclosure, from the Secretary of State on the subject of the grant by the Board of Education, London, of parchment certificates to teachers who have spent a probationary period of 18 months in public elementary schools in India.

2. I am to request that the Government of India may be placed in possession of the views of the Government of Madras on the subject.

ENCLOSURE.

DESPATCH from the Right Hon'ble Lord GEORGE HAMILTON, His Majesty's Secretary of State for India, to His Excellency the Right Honourable the Governor-General of India in Council, dated India office, London, 6th December 1901, No. 169, Public (Educational).

I forward herewith, for such observations as your Excellency in Council may have to make, a copy of a letter from the Board of Education, dated the 18th November 1901, regarding the grant of parchments to teachers who have spent a probationary period of 18 months in public elementary schools in India.

SUB-ENCLOSURE.

BOARD OF EDUCATION,
WHITEHALL, S. W.,
18th November 1901.

SIR,

The Board of Education have received a notification from the Authorities of the Chichester Training College for Women that one of their students, E. Bailey, whose home is at Allahabad, proposes to teach in public elementary schools in India. The student in question has satisfactorily completed two years of training at the college, and will be entitled to receive her parchment certificate on the completion of 18 months' service of probation in a public elementary school and on the receipt of a satisfactory report from a Government inspector.

It has not hitherto been the practice of the Board of Education to issue parchments to teachers who have completed the abovementioned period of probation in schools in India. If, however, it is desired by the Secretary of State for India that service in Indian schools under Government inspection should be recognized as qualifying teachers for the issue of parchments, the Board of Education have no objection to this course being adopted.

They would, however, require to be satisfied in such case that the necessary 18 months' probation had been duly served, and they would further require a duly certified favourable report upon the teacher from the Government inspectors to be transmitted to them.

The Board of Education will be glad to be favoured with the views of the Secretary of State on the proposal to recognize service of certificated teachers as indicated above in schools under Government inspection in India.

I have, etc.,
H. F. POOLEY.

The Under Secretary of State,
India Office,
Downing Street, S. W.
