I have the honour to forward herewith an extract from the proceedings of the Lawrence Asylum Committee, under date November 1st, 1901, requesting the permission of Government to purchase the stationery required by the asylum from the Government Stationery department, and, likewise, the clothing material required from the Army Clothing department.

READ—also the following paper:—

From Colonel H. H. HARVEY-KELLY, Superintendent, Army Clothing, to the Secretary to Government, Educational Department, dated Madras, 29th January 1902, No. G./17116.

With reference to G.O., No. 708, Educational, dated 4th December 1901, I have the honour to state that as clothing material for the Lawrence Asylum at Ootacamund does not form part of the regular supply of clothing issued by this department, I am precluded, without the sanction of the Government of India, to include any such demands in the regular annual indents of this factory or to obtain the material from other sources.

2. An almost similar application made by the Commandant of His Excellency the Governor's Body Guard, Madras, for material not forming part of the authorized clothing of that corps was only recently negated by the Government of India on similar grounds—vide Government of India Military Department No. 7707-D., dated 23rd December 1901, copy enclosed for information.

ENCLOSURE.

From the Secretary to the Government of India, Military Department, to the Lieutenant-General Commanding the Forces, Madras, dated Fort William, 23rd December 1901, No. 7707-D.

I am directed to acknowledge the receipt of your letter No. 16527-B., dated 26th November 1901, recommending sanction to the supply on payment from the Army Clothing department, Madras, of Oxford cotton shirting required by men of the Body Guard of His Excellency the Governor of Madras for stable suitings.

2. With reference thereto I am to say that the Government of India are unwilling to allow the inclusion in the annual indents of articles to be issued on payment which do not form part of the authorized clothing of corps. The Government of India would therefore prefer that the Officer Commanding the Body Guard should make his own arrangements for the supply of the material referred to.

ORDER—No. 50, Educational, dated 1st February 1902.
