To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to report that in September last the accounts of the Madras School of Arts including those of the Aluminium Department were, under my orders, examined and audited by Mr. E. W. Middlemast, Professor of Mathematics at the Presidency College and a balance sheet prepared by him. The process included an examination and valuation of the stock in all the departments of the school, a very laborious undertaking. I therefore request that a sum of Rs. 200 be sanctioned for Mr. Middlemast as auditor's fee and paid from the provision for extra establishment in the aluminium budget. The work was done on Saturdays and Sundays and did not interfere with Mr. Middlemast's other duties. I may mention that Mr. Middlemast carried out a similar examination of the aluminium department of the school in November 1900 for which he received no remuneration.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
