To

Political Department.

Sir,

With reference to G.O. No. 557 dated 12th August 1898 I have the honour to forward the accompanying petition from Mir Hashmat Ali to the address of His Excellency the Governor in Council with the following remarks:-

2. Petitioner's connection in the family both from father's and mother's side is correctly stated by him in the petition. He is about 24 years old and has passed the Lower Secondary examination in 1899 vide certificate attached. He prays for an exemption from passing the Upper Secondary examination so as to enable him to enter into the public service as a clerk.

3. His handwriting is neat and he bears a certificate of good character vide certificate attached to his petition. He is the son of my Manager in this office who has done 25 years, and is still doing excellent service for the State. I therefore respectfully beg to specially and strongly recommend to Government that his request may be complied with. If his petition is complied with I propose employing him temporarily as 2nd clerk in this office.

I have the honour to be,
Sir

your most obedient servant

Mir Hashmat Ali has been a pupil of this School for the past 12 years. He is now reading in the Sixth Form. He wishes to leave us in order to be employed in Government service. I have a very high opinion of his character. He is an intelligent lad and always gave me entire satisfaction. His pleasing manners and unassuming simplicity made him a favourite with boys and teachers of the school. He belongs to a very respectable family. He is always polite, willing and obedient and I am sure that he will always please those in authority. I wish him every success in life.

Madras, 3 Feb 1902

My dear Weir

I am sending in an
Official application to-day
to exempt Mr. Hahnst
ali from passing the Upper
Secondary Examination in
order that he may be put
into post service. I believe
a previous application was
refused, but I am forwarding
the petition again because

Recd 2/176

he is the son of the
Manager of this Office
who has been here for 24
Years. he is now dying
of Cancer and I do
not think can last
long, he has been struggling
to do his work up to
today but now I have
had to send him on
leave for one month in

the first instance, and I
should like to employ his
son on trial as a 2nd Clerk
for the sake of his Father.
I am very much averse
to the exemption as a
rule but should be much
obliged if you can get
this exception made, I think
the young man is deserving.
Yrs Sincerely

C. No. 176.

SUBJECT

Exemption from the examination rules.

FOR ORDERS.

X

In G.O. no. 550 vol. 57 31st October 1900 the Govt. declined to exempt the petitioner from the examination rules. In the present petition however no mention is made of this fact at all.

2. The Paymaster in forwarding the ^{present} application strongly supports it and says that he proposes to employ the young man in his own office.

3. The previous application for exemption was refused chiefly on the ground that the applicant is a sickly person & hardly fit for the public service. This objection still holds, but it appears that his father, who is the manager of the Paymaster's office, is not expected to live much longer and Major Dormby is anxious to show his appreciation of the father's services by giving employment to the son. It is for consideration whether anything should be done

done to oblige Major Formby.

4/1/2
For order. It cannot be said that the young man is incompetent to do clerical work properly. The Paymaster's recommendation is coupled with a promise to employ Mr. Ashmat ibn of exempted [See D/O of 3rd February, which supplements the official letter.]

2. I think we may defer to stretch a point & exempt Major Formby who holds right views as to exemptions in general but advises the making of an exception in this case.

H. M.

Mr. Ashmat was very exempt. In this case, if he has any serious physical defects he will not pass the test. En am.

I have seen the young man. He seems fairly intelligent & looks respectable. He tells me he suffered from his lungs some years ago & that the doctors made him take cod-liver oil. He says he has had no cough. He does not look dejected than to the outward eye the ordinary physique of his class.
