NOTE FOR THE ASSISTANT SECRETARY.

Sanction to the continuance of temporary establishments has hitherto been granted in this dept. But under ^{no (vii) of} the rules sanctioned in G.O. no. 1058 Financial dated 23rd November 1901 it seems doubtful whether such sanctions can now be granted by this department. The Financial dept. may be consulted on the point.

Reference is solicited to paragraphs 2, 4 & 5 of the notes in G.O. No. 348 Financial dated the 4th June 1901. In G.O. No. 545 Financial dated the 26th August 1901, sanction was accorded for the entertainment of a temporary maiting on Rs 15 and a workman on Rs 9 for working the oilgas installation in the Presidency College for a period of one year from the 10th August 1900. This sanction having expired, the Director of Public instruction has applied to the Educat-

department for the renewal of sanction for another year. The Director states that the cost can as before be met from the provision for laboratory charges under Contingencies in the Educational budget for the current and ensuing years.

The Educational department now enquires whether the sanction in a case of this kind can be accorded by that department without a reference to the Financial department. Under G. O. No. 1058 Dated 23rd November 1901, ^{Secretariat}

S

departments are authorized, without previous reference to the Financial department & without regard to the budget provision, to finally sanction expenditure not exceeding Rs 500 for each item, provided that such expenditure does not involve an increase of salaries, or any permanent charge upon Imperial or Provincial revenues, or any debit against the budget for the following year. This rule applies to sanctions for the entertainment or the continuance of temporary establishments. As in the present case portion of the charges form a debit against the budget of the ensuing year, it is submitted that the Educational department cannot without a reference to Financial record sanction.

2. It has also been considered whether the continuance of the temporary establishment in question beyond the current financial year ~~should~~ ^{now} be sanctioned. ^{It being} that the budget estimate for 1902-1903 under 22 Education has been considerably reduced by the Govt of India. For the present, it would, it is submitted, seem ^{safe} ~~safe~~ to sanction the retention of the present establishment till the end of the current financial year, leaving the Director to come up for fresh sanction during the course of next year.
