Medical School at Vizagapatam.

Accepting Maharaja G. N. Gajapati Rao's offer to provide the buildings and furniture required for the proposed —, and asking the Director of Public Instruction to convey to him the cordial thanks of Government for his munificent gift.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—again the following paper:—

G.O., Mis. No. 209, Educational, dated 17th May 1900.

Read—the following paper:—

From W. O. HORNE, Esq., I.C.S., Collector of Vizagapatam, to the Chief Secretary to Government, dated 7th April 1900, C. No. 749.

I have the honour to forward a letter from Maharaja G. N. Gajapati Rao, C.I.E., in which he offers to build and supply a site for a medical college, which, I am informed, it is under contemplation to build in Vizagapatam. I have no official knowledge of the proposal, but I am informed by the District Surgeon that there is such under consideration, and that the site is suitable.

2. The Maharaja would, I understand, prefer to undertake the building himself, rather than to supply funds for a building to be erected by the Public Works Department, but he would of course follow any authorized plan.

ENCLOSURE.

From Maharaja G. N. GAJAPATI RAO, C.I.E., to the Collector of Vizagapatam, dated Vizagapatam, 5th April 1900.

You are aware that I have long wished to erect some public building in this town. Dr. Leapingwell recently mentioned to me that he was on the look out for a site for a medical college which Government propose to establish here, and I learn from him that there is a suitable site, which is my property, near the main road, and within easy reach of the civil hospital. I write now to inform you that I would much like to build the college and should like it called, if you approve, the "Victoria Diamond Jubilee Medical College," in commemoration of Her Majesty's Diamond Jubilee. You know this was my desire with regard to the Town Hall which I was unfortunate about. I would feel exceedingly thankful to you if you will kindly inform the Government of my desire to build the college.

Endt. No. 1096, Public.

Under Secretary.

Order—Mis. No. 209, Educational, dated 17th May 1900.

The Collector will be informed that it is only a Medical school for training hospital assistants and not a college which the Government proposes to open at Vizagapatam, and that no final decision has as yet been arrived at in the matter. This should be

explained to Maharaja G. N. Gajapati Rao, who should, at the same time, be informed that if it is finally decided to open a medical school at Vizagapatam, and if he then wishes to give a site and to erect the building for it, his offer will be accepted with thanks.

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-law, Director of Public Instruction, to the Secretary to Government, Educational Department (through the Surgeon-General), dated Madras, 28th January 1902, Ref. on Cur. No. 304.

In continuation of paragraph 2 of this office letter, Ref. B. on C. No. 5146, dated 28th September 1901, read in G.O., No. 647, Educational, dated 7th November 1901, I have the honour to state that the District Medical and Sanitary officer, Vizagapatam, who is to be the Superintendent of the proposed medical school there, reports that Raja G. N. Gajapati Rao wishes to bear the whole cost of providing the necessary buildings and furniture and also to pay the rent of whatever house is chosen for use temporarily until the building is constructed. The District Medical officer also states that he has secured the building chosen for temporary use from 1st July next and that arrangements have been concluded which will enable the site for the permanent building to be cleared shortly. A rough plan and estimate for the construction of the building have also been received and are herewith submitted. I beg to recommend that Raja Gajapati Rao's offer be accepted with thanks and that, as the plan and estimate have not been drawn up by a professional man, the Public Works department may be instructed to prepare formal plans and estimates in consultation with the District Medical officer and Raja Gajapati Rao, and to afford the latter gentleman all possible assistance in carrying on the work. I beg also to enquire whether the District Medical officer may be authorized to make the necessary arrangements with the Raja for renting and taking possession of the temporary building and for purchasing the required furniture.

2. Steps should also be taken for the supply of chemicals, library books, etc., so that they may be ready for use by the 1st July when the school is to be opened. The District Medical officer will be directed to do this in consultation with the Principal, Medical College, on receipt of orders on this letter.

ORDER—No. 127, Educational, dated 7th March 1902.

Maharaja G. N. Gajapati Rao's offer to provide the buildings and furniture required for the proposed medical school at Vizagapatam will be accepted. The Director will convey to him the cordial thanks of Government for his munificent gift.

2. As the plan and estimate for the building have not been prepared by a professional person, orders will issue in the Public Works department for their preparation by an officer of that department in consultation with the district medical and sanitary officer and with the donor. Orders will issue in the same department for giving every possible assistance in carrying out the work.

3. Further orders will be passed in regard to the renting of a temporary building and the supply of chemicals, books and other articles.

NOTES CONNECTED WITH G.O., No. 209, EDUCATIONAL, DATED
17TH MAY 1900.

[SUBJECT.—Buildings for the Medical School, Vizagapatam.]

From the Collector of Vizagapatam, No. 749, dated 7th April 1900.

For the Assistant Secretary—

Having heard that Government is going to open a Medical college in Vizagapatam, Maharaja G. N. Gajapati Rao Garu offers through the Collector to supply a site and to construct a building thereon for the college according to any plan sanctioned by Government. But it is only a school and not a college which Government proposes to open at Vizagapatam and no decision has yet been *finally* arrived at in the matter (*vide* Educational C. No. 316 of 1899), which is at present under reference to the Public and Financial departments. It is there awaiting certain information about the present contribution to the Medical college called for from the Accountant-General and about the cost of buildings, furniture, etc., called for from the Surgeon-General. There seems, however, to be no objection to the offer being conditionally accepted with thanks.

From the Director of Public Instruction, R.C. No. 304, dated 29th January 1902.

For the Assistant Secretary—

Maharaja G. N. Gajapati Rao's offer may be accepted with thanks and the Public Works department requested to arrange for the preparation of the necessary plans and estimates in consultation with him and the district medical and sanitary officer. No further action should, however, be taken in the matter at present as the Government of India have struck out the provision for the school from the budget for 1902-1903.
