ORIGINAL

G.O., No. 159, 17th March 1902.

MARCH.

Manual of Irrigation.

Approving the proposal to revise the College of Engineering —, and stating that the honorarium to Mr. B. O. Reynolds should not exceed Rs. 250.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-law, Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 15th February 1902, Ref. on C. No. 9182 of 1901.

The Principal, College of Engineering, reports that the stock of copies of the first edition of the College Manual of Irrigation, sanction to the writing of which was accorded in G.Os., Nos. 717 and 880, Educational, dated 28th August and 15th November 1895, respectively, is almost exhausted, and he requests sanction for the preparation of a new edition. The existing manual in his opinion requires careful revision and considerable amplification, and he proposes that the opportunity may now be taken to completely rewrite the work. I approve of the proposals and beg to recommend it for sanction.

2. The cost of producing one thousand copies of the revised edition is estimated at Rs. 2,000, exclusive of an honorarium of Rs. 500 to Mr. B. O. Reynolds, instructor in engineering, to whom will be entrusted the rewriting of the book.

ORDER—No. 159, Educational, dated 17th March 1902.

The Director's proposals will be approved, but the honorarium to Mr. B. O. Reynolds should not exceed Rs. 250.

(True Extract.)

M. HAMMICK,
Secretary to Government.

To the Director of Public Instruction.
" Accountant-General.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 159, EDUCATIONAL, DATED
17TH MARCH 1902.

[SUBJECT.—*Manual of Irrigation.*]

From the Director of Public Instruction, Ref. on C. No. 9182 of 1901, dated
15th February 1902.

Telephonic message from the Secretary to Government, Educational Department, to the
Director of Public Instruction, dated 1st March 1902.

Your letter No. 9182 of the 15th instant regarding the publication of a revised edition of the Manual of Irrigation. It is presumed that the work will be printed at the Government Press. If so, will any portion of the estimated cost of Rs. 2,000 have to be actually paid.

Telephonic message from the Director of Public Instruction, to the Secretary to Government, Educational Department, dated 11th March 1902.

Your telephonic message of the 1st instant regarding the publication of a revised edition of the Manual of Irrigation. The printing work will be done at the Government Press, but the cost of the illustration blocks which is expected to amount to about Rs. 1,000 will have to be actually paid.

For the Assistant Secretary—

For orders as to whether the Director's proposals may be approved. The A | honorarium given to Mr. Reynolds on the last occasion was only Rs. 200. The A | work was then done by him under the principal's supervision. The same arrangement may now be followed and the proposed remuneration reduced to Rs. 200. The cost of the publication will then be Rs. 2,200, of which Rs. 1,200, including the honorarium, will have to be actually paid. The balance will represent the cost of work done by the Government Press—vide Director's telephonic message, dated 11th March 1902. The Director does not say how this amount will be met. He may perhaps be asked u.o. about it.

P. T. THARYAN.
11-3-02.

Secretary—

We may accept the Director's proposals.

A. T. PRINGLE.
11-3-02.

H.M.—

Sergeant Reynolds got Rs. 200 last time for what was apparently a more laborious task, viz., the compiling of the manual from an old book with excerpts from Colonel Mullins' book. Presumably now it will be more or less of a reprint. I should say Rs. 250 was enough to give as an honorarium.

M. HAMMICK.
12-3-02.

Rs. 250 ought to serve.

J. T. [HOMSON].
