3. The appointment of a museum-keeper for a period of one year from 1st March 1900 was sanctioned in G.O.No 160, Financial, dated 2nd February 1900 but the sanction was not acted on, as on a

Further it is stated that there was no urgent necessity for the appointment. For a similar reason, the provision for an attender in the aluminium department in the current year's budget of that department, was not utilized. The provision relating to three clerks under "Temporary establishment, General" having been omitted from the budget estimate of the School of Arts for 1902-03 it is necessary to fill the two appointments referred to above. The necessity for all other charges has already been explained and admitted by Government. Please see correspondence read in G.O. No 5, Financial, dated 2nd January 1902.

4. A re-appropriation statement for the salary to be paid to Mr. Coombes during the current year, is enclosed. Provision for all the other charges exists in the budgets sanctioned in G.Os.
