The Humble Memorial of A. K. Narayanasami
Mudali, the present 3rd Clerk in the Office
of the Sub-Registrar of Bhuvanagiri South
Arcot District.

MOST RESPECTFULLY SHOWETH:—

That your petitioner begs to introduce himself as the 3rd son of the late A. Kanakasabhai Mudaliyar who served Government in the Coimbatore, South Arcot, North Arcot, Chingleput, Cudappah & Madura Districts in several capacities as Sub-Collector's Sheristadar, Huzur Sheristadar and Tahsildar.

That the said A. Kanakasabhai Mudaliyar, the petitioner's father discharged his duties, throughout his service which extends over a period of 30 years most honestly, faithfully and Zealously which fact is borne out by the numerous testimonials from the Various Gentlemen under whom he had the fortune to serve. (A copy of some of those testimonials is herewith submitted).

That your petitioner's father at a time when he was in need of rest and when he was about to retire on a pension after a long and continued service of hard and honest labour and while still in active service suddenly breathed his last to the greatest affliction of his large family consisting of 11 children all young, 2 widows and other near blood relatives who were entirely depending upon his protection. For, the state of the family at this time was nothing but deplorable since there were encumbrances to the extent of upwards of Rs. 2,500 on the family; The education of the children was in a primary stage. These not only brought on additional troubles to the already bereaved family but also marred the young from prosecuting their studies to any higher standard and thus all matters came to a stand still without any improvement or progress.

That your petitioner being suddenly placed in such circumstances was not able to continue his studies and though young was thrown wide on the world to eke out his own living in consequence of the straitened circumstances in which the family was left. Your petitioner consequently started his life as a copyist in the Taluk Office, Cuddalore. As this appointment did but fetch him a poor remuneration of Rs. 3 or so which was hardly sufficient to meet the wants of one's own living, he had to resort to other departments such as Judicial and Criminal Courts wherein also he was given only a copyist's place which was only a little more lucrative. Anxious to settle in life your petitioner had to try in several departments; but all to no avail as the Examination rules stood in

the way of his getting a permanent appointment on Rs. 15, and was obliged in the end to seek the Registration Department wherein the last appointment carried only Rs. 14, and which did not stand as a bar under the Examination Rules—so partly with the good conduct and work of the petitioner during his acting period in several capacities in the department and strongly recommended by the Honorable Mr. J. Thomson, who was a personal friend of your petitioner's lamented father and a well wisher of the family, your petitioner at last secured a permanent appointment in the Registration Department on Rs. 14 which he still holds.

That your petitioner begs leave to submit that throughout his career in the Government service both permanent and acting for upwards of 8 years he bears an unblotted and unblemished character and has done his work honestly and with zeal ^{as} testified to by all his superiors he had the good fortune to serve under. Lately he did work in the Census of 1901 as a Checking clerk and has just been reverted to his permanent appointment as 3rd Clerk in the Sub-Registrar's Office, Bhuvanagiri.

That on the eve of his departure from Madras from the Census Office your petitioner paid his respects to the Inspector-General of Registration and begged of him for a lift which the Inspector General regretted he could not do as he (the petitioner) is not a passed candidate under the Examination Rules. Your petitioner begs to submit that he has passed the Middle School Examination only in the 2nd class and there is hardly any chance of his rising in the Department and must in all truth end his days in the present appointment unless Your Excellency's helping hand is graciously lent forth relaxing the Examination Rules as a special case in the petitioner's behalf and exempt him therefrom. It is needless to mention here that there have been several such instances especially from the commencement of your Excellency's Regime.

Your petitioner therefore humbly prays that in consideration of the past meritorious, hard and honest service rendered by his father the late A. Kanakasabhai Mudaliyar to Government for upwards of 30 years and the pitiable and miserable condition in which his family has been left after his sudden demise and considering that your petitioner as he at present stands has little or no prospect of rising in the future, your Excellency with your wonted generosity and kindness will be sympathetically moved to exempt your petitioner from the Examination Rules so that he may be eligible for promotion and appointments in any other department.

For which act of benevolence the petitioner shall as in duty bound Ever pray.

Your Excellency's most obedient
and faithful servant in distress.

He is well reported on by the Sub-Registrar and appears to have been working in the Department for some 5 years off and on. I think his request might be granted. He is not qualified for any post above Rs. 14 under the Educational Rules but appears to know his work and to be eligible for confirmation on Rs. 14.

I should be most glad to hear of his exemption from the prescribed examination rules for promotion to appointments of Rs. 15 and upwards for which, I am told, he is trying. He now stands in need of much help any assistance rendered to him will be help well placed. He bears an excellent conduct and I wish him every success.

TESTIMONIALS

OF

LATE A. KANAKASABAI MUDALIYAR, SUB-DIVISION SHERISTADAR.

I have known him for about a year and three quarters, well for a year and half. He has been, by his own desire, in charge of the Press in addition to his own Income Tax Work, and I have received the most intelligent, valuable and untiring aid from him. I am happy to believe him an honourable man and to know him to be one of the most intelligent Officers and best acquainted with current work in the Office.

My present Sheristadar A. Kanakasabai Mudaliyar is a very painstaking steady man. He has come to me with a first rate character from the Gentlemen under whom he has formerly served, and when he has passed the prescribed examination, I have no doubt he will eventually make an excellent Tahsildar.

Arcot Kanakasabai Mudaliyar, Sub-Division Sheristadar.

I have a very high opinion of this officer whom I have known for the last 8 years, and consider that he would make an excellent Tahsildar. He is a man of active habits able and hard-working. He has moreover a very good knowledge of English, and is thoroughly conversant with Revenue matters. Of Magisterial business he has had very little experience but his efficiency as a Revenue Officer gives promise of equal efficiency as a Magistrate.

(Signed) O. B. IRVINE,
Sub-Collector.

During the month I have been in charge of the Sub-Division I have been much pleased with the way in which Kanakasabai Mudaliyar has done his work. He has kept the whole office well up to the mark. His capital knowledge of English makes him of great assistance.

(Signed) J. D. B. GRIBBLE,
Acting for Sub-Collector.

Kanakasabai Mudaliar has very much improved and has shown himself willing and anxious to remedy the faults pointed out. There can be no doubt about his assiduity and willingness to work, and it is this scrupulous painstaking carefulness, which is his peculiar characteristic and recommendation. I also am very glad to be able to express a strong belief in his honesty and moral integrity, all which qualities for the responsible Head of an office are even more indispensable than brilliant talents. On the whole I have a very high opinion of him, as he spares no pains in performing the work entrusted to him, and what he does he does thoroughly.

KANAKASABAI,

It gave me very great pleasure to see the other day in the Gazette of your District that you have, at last, attained the very honorable and responsible post of Huzur Sheristadar. I trust you will, ere long, be confirmed in the appointment, and that you will, by honest zealous work, maintain your character as a valuable Public Servant. If Mr. Walker on whose recommendation, I first brought you from the Coimbatore District, had been alive now, I am sure he would have been as glad, as I am, to hear of your present well deserved promotion.

The Sub-Division has been in my charge for about 3 weeks and I feel bound to say that my work has been much less than it would, in other circumstances, have been by the laborious care of the Sheristadar. In much work of an easy kind, as well as in trivial matters he has given me every satisfaction. If my knowledge of or about him were limited to this short period I should say nothing regarding his integrity, but I have heard of and known him for some years, and I never heard even a whisper against his uprightness.

You have my full permission to accept Mr. IRVINE's offer, as Tahsildar of Gudiyattam and I shall be glad to hear that by uprightness & diligence you will rise in the service.

During the month I have had charge of the Sub-Division Kanakasabai Mudaliyar has rendered me most valuable service in Jamabandi work by his activity zeal and intelligence. The way in which he has performed his duties is highly creditable.

This office, so far as it has come under my observation, is very hard-working, but there is room for improvement in some respects. The investigation of old arrears at settlement caused much labour and the Sheristadar Kanakasabai Mudaliyar deserves especial credit for the mode in which he gave his attention to this along with his other work. This I say from my own observation Mr. Bird personally expressed to me his satisfaction with him.

Since I joined this appointment (6th June 1881), I have had every reason to be pleased with the way in which the Sub-Collector's Sheristadar A. Kanakasabai Mudaliyar has discharged his duties. The Acting 3rd Clerk A. K. Narayanasawmi Mudaliar, asks me to note his request that he may be confirmed on Rs. 14. He is well reported on by the Sub-Registrar and appears to have been working in the Department for some 5 years off and on. I think his request might be granted. He is not qualified for any post above Rs. 14 under the Educational Rules but appears to know his work and to be eligible for confirmation on Rs. 14.

Collector.

7. This is to certify that A. K. Narayanasami Mudaliar served under me as 3rd Clerk for over 9 months while I was Sub-Registrar of Bhuvanagiri. During the period I had nothing to complain of him as he did his duties carefully and to my satisfaction. He is an intelligent, hard-working and careful subordinate. I should be most glad to hear of his exemption from the prescribed examination rules for promotion to appointments of Rs. 15 and upwards for which, I am told, he is trying. He now stands in need of much help any assistance rendered to him will be help well placed. He bears an excellent conduct and I wish him every success.

Sub-Registrar.

TESTIMONIALS

OF

LATE A. KANAKASABAI MUDALIYAR, SUB-DIVISION SHERISTADAR.

I have known him for about a year and three quarters, well for a year and half. He has been, by his own desire, in charge of the Press in addition to his own Income Tax Work, and I have received the most intelligent, valuable and untiring aid from him. I am happy to believe him an honourable man and to know him to be one of the most intelligent Officers and best acquainted with current work in the Office.

My present Sheristadar A. Kanakasabai Mudaliyar is a very painstaking steady man. He has come to me with a first rate character from the Gentlemen under whom he has formerly served, and when he has passed the prescribed examination, I have no doubt he will eventually make an excellent Tahsildar.

Arcot Kanakasabai Mudaliyar, Sub-Division Sheristadar.

I have a very high opinion of this officer whom I have known for the last 8 years, and consider that he would make an excellent Tahsildar. He is a man of active habits able and hard-working. He has moreover a very good knowledge of English, and is thoroughly conversant with Revenue matters. Of Magisterial business he has had very little experience but his efficiency as a Revenue Officer gives promise of equal efficiency as a Magistrate.

(Signed) O. B. IRVINE,
Sub-Collector.

During the month I have been in charge of the Sub-Division I have been much pleased with the way in which Kanakasabai Mudaliar has done his work. He has kept the whole office well up to the mark. His capital knowledge of English makes him of great assistance.

Kanakasabai Mudaliar has very much improved and has shown himself willing and anxious to remedy the faults pointed out. There can be no doubt about his assiduity and willingness to work, and it is this scrupulous painstaking carefulness, which is his peculiar characteristic and recommendation. I also am very glad to be able to express a strong belief in his honesty and moral integrity, all which qualities for the responsible Head of an office are even more indispensable than brilliant talents. On the whole I have a very high opinion of him, as he spares no pains in performing the work entrusted to him, and what he does he does thoroughly.

KANAKASABAI,

It gave me very great pleasure to see the other day in the Gazette of your District that you have, at last, attained the very honorable and responsible post of Huzur Sheristadar. I trust you will, ere long, be confirmed in the appointment, and that you will, by honest zealous work, maintain your character as a valuable Public Servant. If Mr. Walker on whose recommendation, I first brought you from the Coimbatore District, had been alive now, I am sure he would have been as glad, as I am, to hear of your present well deserved promotion.

This is the second occasion upon which I have had temporary charge of the office of Sub-Collector of South Arcot, and on each I have had every reason to be satisfied and highly pleased with the manner in which A. Kanakasabai has discharged his duties. I have the highest opinion of his personal character so far as I have gained experience of it from his manner of working, and I have never had the slightest occasion to doubt his honesty of work and purpose.

I do not see how I can, in any way, add to the praise already bestowed upon Kanakasabai, but I am happy to be able most fully to endorse the favourable opinions of my predecessors. I have never had the slightest cause to suspect him of anything approaching to dishonesty. His enemies (and they are not a few) have not been able to accuse him even anonymously! I should be very glad to hear of his being promoted, though I feel that his place will be very difficult to fill in the Sub-Division.

The Sub-Division has been in my charge for about 3 weeks and I feel bound to say that my work has been much less than it would, in other circumstances, have been by the laborious care of the Sheristadar. In much work of an easy kind, as well as in trivial matters he has given me every satisfaction. If my knowledge of or about him were limited to this short period I should say nothing regarding his integrity, but I have heard of and known him for some years, and I never heard even a whisper against his uprightness.

SHERISTADAR,

I congratulate you on the prospect of immediate promotion now opening up before you.

You have incurred much odium here owing to your steadfast perseverance in aiding me in the bringing to light several cases of mal-practices in this District. You have much to be a cause of satisfaction to you in your services here. Be assured that I value them highly. You have my full permission to accept Mr. IRVINE's offer, as Tahsildar of Gudiyattam and I shall be glad to hear that by uprightness & diligence you will rise in the service.

The Sub-Division Sheristadar Kanakasabai Mudaliyar was for sometime on other duty and on leave and the acting man was several times changed during the fasli under Report. The permanent incumbent has now returned and is doing his work well.

(Signed) C. A. BIRD,
Acting Sub-Collector.

During the month I have had charge of the Sub-Division Kanakasabai Mudaliyar has rendered me most valuable service in Jamabandi work by his activity zeal and intelligence. The way in which he has performed his duties is highly creditable.

(Signed) W. DUMERGUE,
Acting Head Asst. Collector in charge.

Extract from the Jamabandi Report of the Sub-Collector of South Arcot for fasli 1288 No. 947 dated 30th September 1879.

This office, so far as it has come under my observation, is very hard-working, but there is room for improvement in some respects. The investigation of old arrears at settlement caused much labour and the Sheristadar Kanakasabai Mudaliyar deserves especial credit for the mode in which he gave his attention to this along with his other work. This I say from my own observation Mr. Bird personally expressed to me his satisfaction with him.

(Signed) J. THOMSON,
Acting Sub-Collector.

Since I joined this appointment (6th June 1881), I have had every reason to be pleased with the way in which the Sub-Collector's Sheristadar A. Kanakasabai Mudaliyar has discharged his duties. The Jamabandi of the Tindivanam Taluq was then in progress and he rendered me the most valuable assistance in getting through it, and ever since he has done his work well.
