FURTHER PAPERS.

To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to submit the following case for orders of Government.

2. One Mathan, a native of Thalavadi, was a peon in the Thalavadi Deputy Tahsildar's office and he appears to have served in that office for more than 10 years. When the Deputy Tahsildar's office was transferred to Gobichettipolliem in 1889 he was also transferred to Gobichettipolliem, but as he preferred a hilly station, he was again transferred to Kollegal in 1890, at his own request.
3. He took leave frequently and on the last occasion he overstayed it and the Deputy Collector, Kollegal, therefore, dispensed with his services in 1891 on this sole ground.
4. After the transfer of the Thalavadi Deputy Tahsildar's office to the plains, a Revenue Inspector was permanently posted to Thalavadi with a Taluk Peon under him. The peon deputed to work under the Thalavadi Revenue Inspector often fell ill and it was then arranged that one of the Peons from the Plains should go to Thalavadi and work under the Revenue Inspector by turns. This arrangement resulted in things going no better as the peons constantly fell ill and had to be sent back to the plains. The Divisional Officer, (Mr. Wood) when filling up certain vacancies among peons directed the Tahsildar on a consideration of the above facts which were brought to his notice by the Tahsildar to select a native of Thalavadi for the appointment as a Peon to be attached to the

the Thalavadi Revenue Inspector. This was on 18-5-97. The Tahsildar recommended Mathan on his application to be appointed sub-protem peon to work under the Thalavadi Revenue Inspector. The Divisional Officer accordingly sanctioned his appointment on 3-5-98, as Sub-protem.

5. Subsequently in 1900 there were some permanent vacancies in the grade of Peons and Mathan put in a petition requesting to be confirmed in his post. Then the matter was under correspondence between the Taluk and Divisional Offices and finally the Divisional Officer on 22-9-1900, declined to confirm him as he was then found to be an unpassed candidate.

6. Against the order of removal Mathan put in a petition to me and I called for a report. From the records received with the Divisional Officer's report, it is observed that the fact of the man being an unpassed candidate and holding an acting appointment was overlooked.

7. He was holding the office continuously for nearly 4 years and the Deputy Collector considers it would be very hard to turn him out after serving for 4 years in an unhealthy locality and recommends that he may be specially exempted as he has proved useful and deserving since his re-appointment and that his former fault (overstaying his leave) was not a serious one in which I concur with him.

8. Government is well aware that Thalavadi Division is notoriously an unhealthy locality and it is very difficult to procure a passed candidate to serve as a peon in Thalavadi under the Revenue Inspector, an officer who has to be frequently moving about his firka- the whole of which is unhealthy. Even if a passed candidate is secured he is not willing to take up the post at Thalavadi.

9. I think that, in the circumstances, Mr. Wood was right in selecting a native of Thalavadi for the post of a peon to work under the Thalavadi Revenue Inspector, but I regret that he overlooked the fact that the appointment of Mathan made by him required special sanction of Government as he was an unpassed man.

10. In these circumstances, I have the honour to strongly recommend that Government will be pleased to exempt Mathan from

the Examination Rules retrospectively from the date of appointment by MR. Wood.

11. His age at present 32 years and he reads and writes canarese well.

12. I beg to submit herewith an application in the prescribed form.

13. I may here refer Government to its order No. 883m dated 15-12-99 in

which Government was pleased to sanction with retrospective effect the

appointment of certain unpassed Masalchis as peons owing to a misappre-

hension of Rules. In this case also the Deputy Collector must have

made the appointment under a similar misapprehension of the Rules;

otherwise he would not have failed to apply for sanction.

I have the honour to be,

Sir,

Your most obedient servant,

C. M. M. M.

Collector.
