Read—the following paper:—

Proceedings of the Board of Revenue (Separate Revenue), Ref. Nos. C.R. 465 and 709, dated 20th March 1902.

Read—the following papers:—

From the Deputy Commissioner, Northern Division, R.C. No. 125, dated 6th February 1902, requesting the Board to move the Government in the matter of postponing the enforcement of the rule which requires that only candidates who have passed the Primary examination should be employed as peons and petty officers in the department, and Board's reference thereon to the Deputy Commissioners, Central and Southern Divisions, dated 17th February 1902, referring the letter to them for an early expression of their views in the matter.

Proceedings of the Acting Deputy Commissioner, Central Division, Ref. on B.R. No. 163, dated 21st February 1902, permitting the Assistant Commissioner, Cuddalore Sub-division, to entertain unpassed men as temporary peons during the manufacturing season in the Cuddalore circle.

From the Deputy Commissioner, Southern Division, Ref. on B.R. No. 127, dated 12th March 1902, reporting that it is impossible yet to get passed candidates for peons' and petty officers' posts.

Reference—Nos. C.R. 465 and 709, dated 20th March 1902.

In its order No. 625, Educational, dated 6th November 1897, Government was pleased to direct that the primary examination qualification should not be required of candidates for the posts of petty officers and peons in the Salt, Abkari and Customs department until 1st January 1900, and this concession was, on the further representation of the Board, again extended in G.O., No. 132, dated 17th March 1900, up to the 1st January 1902. The Deputy Commissioners, Northern and Southern Divisions, have now reported that the difficulty in obtaining men who have passed the Primary examination is as great as ever; and that they are equally unprocurable in the Central Division appears from instructions issued by the Deputy Commissioner, to the Assistant Commissioner, Cuddalore, a copy of which has been submitted to the Board. The Board therefore requests that Government will be pleased to extend the concession for another two years from the 1st January 1902.

ORDER—No. 214, Educational, dated 10th April 1902.

Under the circumstances, the concession granted in G.O., No. 625, Educational, dated 6th November 1897, will be further extended to the 1st of January 1904.

NOTES CONNECTED WITH G.O., No. 214, EDUCATIONAL,
DATED 10TH APRIL 1902.

[SUBJECT.—*Exemption from the Examination Rules.*]

From the Board of Revenue (*Separate Revenue*), Ref. Nos. 465 and 709, dated 20th March 1902.

For the Assistant Secretary—

The Board of Revenue requests that the concession granted in G.O., No. 625, Educational, dated 6th November 1897, to candidates for the posts of petty officers and peons in the Salt, Abkari and Customs department may be further extended for another two years from 1st January 1902. It is stated that the Deputy Commissioners consulted have reported that the difficulty of getting qualified men for these posts is as great as ever.

2. The Salt, Customs and Abkari department has now enjoyed the concession for over four years, and while on the one hand its extension for a further period seems to be a matter of necessity, such a step

G.O., No. 57, Educational, dated 3rd February 1900.

G.O., No. 453, Educational, dated 10th July 1899.

* We should not say this. The Public Works department is not concerned, as a matter of fact, with the enforcement of the examination rules. It might be said with equal justice that the educational department have shown very little inclination to assist the police.

Second Assistant—

Under the recent orders of the Government of India the whole system will require alteration. Please consider this point and speak to me.

A. T. PRINGLE.
27-3-02.

I have spoken to the Assistant Secretary about this matter. The Board of Revenue desires that candidates for the posts of petty officers and peons in the Salt, Abkari and Customs department should be exempted for another two years from passing the primary examination. Under the scheme which the Government of India has now in view there will still be an examination called the primary examination, but it will not be a public examination. The Government of India considers that all that is necessary is, a boy should obtain a certificate of having passed through the primary course and attained a due standard of proficiency. To secure this result the Government of India thinks that each school should be examined by an inspecting officer *in situ*. Please see paragraphs 6 and 7 of letter from the Government of India

on page 3 of G.O., No. 678, Educational, dated 21st November 1901. Any orders now passed on the Board's application will not therefore be affected by the introduction of the scheme which the Government of India has in view.
