STATEMENT OF THE OBJECTS, AND AN APPEAL IN BEHALF OF THE CIVIL ORPHAN ASYLUMS.

THE MADRAS CIVIL MALE AND FEMALE ORPHAN ASYLUMS were founded by Eurasians for relief of the poorer members of the community in the early part of the past century, so far back as 1807, and have, therefore, been in operation for over ninety years.

A full statement of the funded capital and financial resources of these Institutions will be fonnd in the Annual Report. Improvements have been introduced into the system of education pursued in each of the Asylums, with a view to increasing their public utility. For the furtherance of this object, these schools are now placed under Government Inspection.

All orphan children *throughtout the Presidency*, descended from parents either Eurasian or European, not in Military employ, are eligible for admission.

This fact, it may be assumed, is generally known throughout the mofussil from the applications which are made from various stations for the admission of orphans; but the Directors regret that the claim *resulting from this fact*, upon persons residing in the mofussil for some contribution towards the support of these Institutions, does not appear to be so generally recognized.

The Bishop of the Diocese is the President, the Archdeacon is the Vice-President, and the rest of the Clergy of the Church of England are *ex-officio* Patrons of these Institutions. The Directors, therefore, earnestly request the Clergy in the Presidency and mofussil either to make regular periodical collections in their Churches in behalf of the Asylums, or else to circulate this appeal together with the accompanying report among the European and Eurasian residents at their stations, who are particularly invited to come forward and contribute, according to their means, towards the support of Institutions, which provide such efficient relief for the destitute and distressed members of their own community.

Contributions may be remitted to Mr. A. J. REBEIRO, Hony. Treasurer, Kennet's Lane, Egmore, or to THE HONY. SECRETARY, Civil Orphan Asylums, Egmore, Madras.

REPORT

OF THE

Madras Civil Orphan Asylums

AND

St. MARY'S CHURCH CHARITY SCHOOL,

FOR 1901.

The Directors have the pleasure to place before the subscribers and friends of these Institutions a brief report of the operations of the Asylums during the year 1901. There is nothing special to record. The year, on the whole, has been characterized by steady work and continued progress.

2. MALE ASYLUM.

It was resolved to begin the year with six supernumeraries to be absorbed in the orphan list as vacancies occurred, but owing to the large number of waiting children there remained 4 at the end of the year in excess of the recognized strength. There were, therefore, 96 boys on the rolls at the beginning of the year and 99 at its close there being 2 vacancies unfilled.

The subjoined statement shows the admissions and withdrawals during that period.

Of the 7 boys admitted into Saint Mary's Church Charity School, 5 came from Madras, 1 from Cuddalore and 1 from Coorg.

4. Of the 11 orphans withdrawn during the year, 2 obtained employment, and 9 were removed by relatives. Of the 5 withdrawals from the St. Mary's Church Charity School, 3 were removed by relatives and 2 obtained employment.

5. Female Asylum.—There were 46 girls on the rolls on the 1st January 1901, and the year closed with 41.

6. Four admissions were from Madras and 1 from Arkonam.

7. Of the withdrawals 3 were married, 2 were transferred to the Military Female Orphan Asylum and 5 were removed by relatives.

HEALTH.

8. The Medical Officer reports that the health of the children was satisfactory during the year. There were 73 admissions to Hospital against 97 in the previous year; of these 59 were boys and 14 girls against 72 boys and 25 girls in the previous year. There were no deaths during the year.

EDUCATION.

9. Teaching Staff.—There were several changes in the staff of both the Male and Female Asylums. The experiment of having a female teacher in place of the third master in the Male Asylum did not turn out a success, and during the year Mr. Bond was entertained as the third master and Mrs. Rebeiro was replaced by Mr. Guest as fourth master, as for a long time the teaching staff on the boys' side was felt to be insufficient. The Directors find considerable difficulty in securing the services of trained teachers owing to several causes, chiefly to the small salaries that the Asylum can afford to offer.

The Female Asylum was particularly unfortunate in the loss of its Head Mistress Mrs. Berlie, and in appreciation of her good work it was resolved to raise funds for a memorial which was to take the form of an enlarged portrait of Mrs. Berlie to be placed in the Girls' School, and if funds permitted to establish an annual prize to be called the "Berlie prize."

In the Female Asylum, on the recommendation of the Garrison Chaplain, the Directors sanctioned the appointment of—

(1) Mrs. Harvey as Head Mistress, in the room of the late Mrs. Berlie; (2) Miss Rector as 1st Assistant non-resident Mistress, in place of Miss Henegan, resigned; (3) Miss Fritchley as 2nd Assistant Mistress, instead of Miss Piellow, resigned; (4) Miss Webber as 3rd Assistant Mistress. Miss Fritchley resigned a few months after, and Miss Webber was obliged to leave in consequence of continued ill health.

The results of the Educational work done during the year by the Male and Female Asylums, are contained in the Garrison Chaplain's report.

EXAMINATIONS.

Male and Female Asylums.

10. On the boy's side, the four public Examinations in which they competed were the Diocesan Prayer Book Examination, the Eurasian and Anglo-Indian Tamil Examination, the Government Primary Examination, and the Government Lower Secondary Examination. For the Prayer Book Examination Elementary Grade, five appeared and all passed. For the Eurasian and Anglo-Indian Tamil Examination George Sheahan obtained a money prize of Rs. 3-8-0, and three others obtained Certificates. Nine appeared for the Government Primary Examination and seven passed. For the Lower Secondary, four appeared and all passed. Two boys, Carlier and Maiden, who passed the Entrance Examination into the Government Telegraph Department, have since been called into that Department. These results are an improvement on those of the previous year.

On the girls' side, for the Intermediate Grade of the Prayer Book Examination, three of the four girls sent up passed. For the Elementary Grade, five were sent up and all passed; one of these Mary Jones obtaining a prize. For the Eurasian and Anglo-Indian Tamil Examination, Mary Jones obtained a prize of Rs. 3 and five others obtained certificates. In the Needlework Examination under the auspices of the same Association, Elizabeth Rapson obtained a second prize of Rs. 4 for patching, while Ida Gibbs was first in the whole of Madras with Rs. 10 for a shirt blouse. There were also four certificates. For the Primary Examination, four appeared and all passed. No candidates were sent up for the Lower Secondary Examination.

GOVERNMENT INSPECTION.

11. The Inspector remarks:—

Staff—Quite Efficient.

Dress and Manners—Good.

Discipline and tone—Very Good.

The Inspectress remarks :--

Efficiency.—Good.

Dress { Boys' Fair. / Girls' Very Neat.

Manners, Discipline and Tone—Good.

The Director of Public Instruction in reviewing the report of the Inspector remarks as follows :—

MALE ASYLUM.—The general condition and the tone and discipline of the school were satisfactory.

FEMALE ASYLUM.— The tone and discipline of the institution and its general condition were good.

FINANCE.

12. The receipts during the year amounted to Rs. 23,150, being less by Rs. 1,157, than the amount received in 1900, as shown below :—

RECEIPTS.	1901.	1900.
	Rs.	Rs.
Subscriptions and Donations	3,462	3,775
Church collections	143	267

Rent	480	464
Other Receipts	62	49
Extraordinary Receipts	953	176
Total Rupees ...	23,150	24,307

There was a slight decrease in subscriptions and donations, but the income during 1900, under this head included a sum of Rs. 500, received from the public in response to a special appeal. The decrease in Government grants is due to the Salary grants not being drawn on account of the several changes in the teaching staff during the Year. The extraordinary receipts include a sum of Rs. 784, being the proceeds of Mrs. King's concert in aid of the Band Fund.

13. EXPENDITURE.—A comparative statement of the outlay during 1901 and 1900 is given below. There was a slight increase in establishment and diet charges.

DISBURSEMENTS.	1901.	1900.
	Rs.	Rs.
Establishment, Educational	5,977	5,897
Do. General	1,910	1,859

Other Chargers	1,546	1,543
Extraordinary Charges	40	18
Total Rupees...	24,495	24,242

14. The average number of children maintained during the year has been 143 against 144 in the preceding year. The monthly cost of maintaining each child including all charges has been Rs. 14-4-4 against Rs. 14-0-6 in 1900.

An attempt was made during the year to alter the investments with a view to increase the present income of the Asylums, and the offer of the Tanjore District Board Railway Debenture Loan afforded an excellent opportunity. The tender of the Asylum was however too low to be accepted, and the Directors resolved to let the matter lie over till a more favourable opportunity presented itself.

DIRECTORATE.

15. The following office bearers for the year were unanimously elected :—

Vice-Presidents	...	Hon. Mr. Winterbotham. ,, ,, Justice Benson.
Hony. Secretary	...	Mr. J. R. Coombes.
,, *Treasurer*	...	,, A. J. Rebeiro.
,, *Auditor*	...	,, W. A. Long.

Mr. Long having had to proceed on leave owing to ill health, Mr. S. P. D'Sylva very kindly consented to take up the office of Hony. Auditor which he is still performing.

The Revd. Mr. Penny retired from the service during the year, and, on the consequent severance of his connection with the Civil Orphan Asylums, the Directors placed on record their deep sense of his valuable services to these institutions. His constant supervision, and unremitting attention, have been productive of most valuable benefits and improvements in the educational work of the school, while his ripe experience has been always placed at the service of the Directors with the most beneficial results, in matters connected with general management. Fitted with a high sense of his responsibility he has ever devoted himself with conscientious zeal and faithfulness to his important trust, and has spared neither time nor effort in maintaining the institution at a high level of excellence and usefulness. The Directors tendered to him their grateful thanks and their appreciation of his labours ; and trusted he would amid other scenes still retain a feeling of interest in these institutions with which he had been so closely connected in Madras. The Revd. Mr. Heycock acted as Garrison Chaplain up to September, and The Revd. Mr. Malden took over charge in that month.

Mr. McCready having resigned, the Directors recorded their appreciation of his long and faithful services as Director and Trustee.

Mr. Greatorex was compelled owing to ill-health to resign the offices of Director and Trustee. The Directors placed on record their keen appreciation of the interest he took in the institution, and the good work he did for over 20 years as Director, Trustee, and Honorary Secretary.

In room of the above mentioned gentlemen, Mr. H. J. Stanley and Surgeon-Captain S. E. Carrapiett accepted office as Directors, and Messrs. Coombes and Rebeiro, as Trustees.

16. GYMNASIUM.—There were 58 boys learning Gymnastics at the beginning of the year, 30 in the senior class and 28 in the junior, and at the close of the year, there were 29 seniors and 32 juniors, making a total of 61 boys.

17. CADETS.—There were 31 cadets at the beginning of the year, and 23 at its close.

18. BAND.—There were 12 boys in the band at the beginning of the year and the same number at its close.

CONCLUSION.

19. Intimation was received at the beginning of the year that H. E. The Governor consented to continue the gift of the two watches to the two Asylums. These prizes are presented to the two best children in the schools and are highly valued. It was therefore with peculiar satisfaction that the communication was received at the beginning of His Excellency's term of office.

An agreeable feature in the year's work was the receipt of the handsome donation resulting from the Concert organised by Mrs. H. C. King, in aid of the Civil Orphan Asylum Band. A sum of Rs. 784 was paid in, and arrangements are being made to secure a new set of instruments from Boosey & Co., London. A hearty vote of thanks was accorded to Mrs. King, for her kindness, and also to those friends who assisted her to produce such a successful result ; to Messrs. Vest & Co., for printing the very handsome programmes, free of cost. Messrs. Misquith & Co., for their kindness in lending two pianos, and the proprietors of the *Madras Mail* for publishing advertisements, free of cost.

During the year the Asylum lost the services of Mr. Cardis, the voluntary organist. The Directors conveyed to Mr. Cardis their appreciation of his services as Organist at the Civil Orphan Asylum for a period of 6 years. By his regular attendance and reverent manner of conducting the musical portion of the services he contributed very largely in making the worship in the Chapel bright and cheerful and was of the greatest assistance to the Chaplain. The Directors were glad to hear of Mr. Cardis' recent promotion to a higher appointment and wished him God-speed and every happiness and prosperity in his future career.

The Directors tender their best thanks to all donors and subscribers towards the funds of this Institution.

(By Order).

J. R. COOMBES,

Hony. Secretary.

Appendix A.

The Garrison Chaplain's Report.

As I took charge of the Chaplaincy in September, I am not able to offer a report on the working of the School during the entire year, except such as may be inferred from the results of Examinations.

On coming back to the School after an absence of seven years I was first struck by the general backwardness in all classes. I carefully noted the ages of boys and girls in each class, with the following results, showing the average age in each class:—

	Boys.		*Girls.*	
	Y.	M.	Y.	M.
Form III	15	11	*None.*	
Do. II	14	10	15	1
Do. I	14	3	14	6
Class IV	13	5	13	2
Do. III	12	5	12	3
Do. II	11	6	10	10
Do. I	9	5	9	3

Infant Standards 7 years, 10 months.

The above figures show that our boys and girls, particularly the latter, are very backward as compared with other Schools. A boy should pass his Lower Secondary by the time he is 13 or 14.

It will be our duty to try and lower these average ages year by year until they are more in accordance with the general average of other Schools.

The main reason why our boys and girls have for so many years not been educated as highly as they might have been is I believe due to the following fact. It has been the practice to have over the Infant Standards and often Classes I and II, two young untrained pupil teachers. The result of this is to ground the children while they are young, in habits of inattention, insubordination, and idleness. These can never be eradicated in after years. The secret of sound education is to bring to bear the most highly-trained teaching power within reach upon the youngest children. It is the result of the teaching given from the age of 7 to 10 that makes or mars the boy or girl for life. It is proposed this year to make a change in the established order of things. To amalgamate the teaching staff and devote very special efforts to the youngest classes. If this is carried out we may expect very excellent results in future years.

It is hardly necessary to state that the experiment of teaching boys and girls together in the higher classes is one which will require the most careful supervision on my part, and which will have to be given a long trial before any results are appreciable.

The Results of Examination have this year been on the whole fair, though the General Scripture Examination which I personally conducted in every class of the School, caused me a good deal of disappointment.

The following is my Report on this Examination:—

Boys Form III.

D. Baker	1	H. Dean	3
A. Ignatio	2	J. Wood	14

The work was very fairly done, and the boys had an intelligent knowledge of their subjects:—

Form II.

O. Gale ...	1	S. Duncan ...	7
H. Hall ... }	2	A. Farley ...	8
J. Chinnery ... }		W. Marsh ...	9
J. Williams ...	4	N. O'Keefe ...	10
A. Adie ...	5	H. Arnold ... }	11
M. Andrews ...	6	P. Davis ... }	

Here again the boys had evidently been well taught, though the amount set by Mr. Penny for the year's work was not very great, it had evidently been well driven in.

Form I.

S. Brown ...	1	R. Duncan ... }	7
J. Middleton ... }	2	H. Rodrigues ... }	
G. Gibson ... }		V. Ignatio ...	9
G. Walker ... }	4	O. Williams ...	10
C. Grubert ... }		J. Thompson ...	11
M. Gale ...	6	W. Doyle ...	12

The answering in this class was particularly good, and the teaching had evidently been conscientiously given. I wish I could say the same for the lower classes.

Class IV.

J. Huffton ...	1	C. Tanner	3
C. Strange ...	2	J. Flannery... ...	4

with the exception of these boys the ignorance displayed of the subjects taught was deplorable.

Class III.

L. Grubert	... 1	H. Clarke	...	4
A. Trutwein	... 2	R. Fraser	...	
C. Davis	... 3	M. Swan	...	

The results in this class were very poor.

Class II.

S. Gates	1	
S. Lem	2	
C. Ignatio		
J. Hiscox	4	

The answering here was fair, and the Catechism had been taught.

The general results in the Girls' School were somewhat more encouraging, but here again the knowledge of Scripture was not what it ought to be with respect to the ages of the girls.

In Form II only 2 appeared. Daisy Dean 1 and Theresa Henderson 2. In Form I. Eliza Maiden 1. Florence Francis 2. Winifred Corbitt 3.

Class IV.

Mary Jones	... 1	Alice Harper	... 5
Hermina Nelson	... 2	Annie Dean	... 6
Dorothy Reinhardt	... 3	Sophia Andrews	... 7
May Henderson	... 4		

The Old Testament here was much better known than the passages set for the New. General results fair.

The other classes call for no special remark. I give the names of the first 4 in each class.

Class III.

Hilda Gibbs.	Rachel Vincent.
Irene Nelson.	Josephine Richardson.

Class II.

Beatrice Smith.	Esther Lee.
Emilie Brammer.	Eveline Hiscox.

Class I.

Merlin Johnson. | William Andrews.

The rest were very bad.

14

On the Infant Classes Colville Gibbs and Reginald Daniel were first and second.

Besides the above General Scripture Examination, I held a special written Examination on the Catechism. The following were the best:—

C. Latimer	1	
Mary Cruickshanks	2	
H. Dean		
Winifred Corbitt		

The upper classes only were examined; the results were very fair.

The next Examination to be considered is the Annual Examination for the Bishop's Prayer Book Prizes.

The results in this were not very good.

In the Intermediate Grade four girls competed. Three obtained pass certificates, and one failed. Daisy Dean was the best. In the Elementary Grade five girls and five boys competed. One girl, Mary Jones, obtained a prize of Rs. 2-9-0. Four girls and four boys obtained certificates of merit, one boy a pass certificate.

In the Secular work I have not been able to specially test the work in each class, but can only give the results of the General Examinations.

In the Tamil Examinations held by the Anglo-Indian and Eurasian Association, George Sheahan and Mary Jones obtained prizes of Rs. 3-8-0 and Rs. 3, respectively, in Division A. There were seven certificates in Division A and 1 in Division D.

In Needlework under the auspices of the same Association Elizabeth Rapson obtained the second prize of Rs. 4 for patching, while Ida Gibbs was first in the whole of Madras with a prize of Rs. 10 for a shirt blouse. There were also four certificates.

In the Competetive Examination for entrance into the Government Telegraph Department two boys, Maiden and Carlier passed, and obtained employment. In the Government Lower Secondary Examination four appeared and all passed. In the Primary Examination nine boys appeared of whom seven passed, while of the four girls who went up all passed.

The general efficiency of the teaching in the School has been seriously affected by continued changes in the teaching staff during the year. The death of Mrs. Berlie, an old and highly-experienced head Mistress, has been severely felt. Her place has, however, been filled by a very capable teacher in the person of Mrs. Harvey, under whose care it is hoped that the children will do well in the future.

The Chapel services have been conducted throughout the year as usual. Mr. Hunt, the Organist of St. Mary's Church, has kindly presided at the Harmonium. The following grants were made from the alms collected :—

The Madras Industrial School	...	Rs. 5
Mrs. Firth's Homes ...	...	,, 5
Diocesan Prayer Book Examination	...	,, 5
The Additional Clergy Fund	...	,, 5

I trust that we shall have this year a large increase both of spiritual and religious attainments, as well as efficiency in the ordinary School work.

C. H. MALDEN,

Garrison Chaplain,

Vice-President of the Directorate.
