Stating that orders will issue in the Public department in regard to the arrangements to be made for the charge of the — during the absence of the District Medical and Sanitary officer on tour, and making the necessary changes in the rules of the school.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following papers:—

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-law, Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 18th January 1902, Ref. on Cur. No. 8001 of 1901.

With reference to rule III (vi) of the rules for the Reformatory School, Chingleput, I have the honour to request that Government will be pleased to arrange for the District Judge or the Sub-Collector of Chingleput to have charge of the school on occasions when the Superintendent as District Medical and Sanitary officer has to be absent from Chingleput on tour. It is not desirable that the Deputy Superintendent should perform the duties of the Superintendent in addition to his own on such occasions.

2. The District Judge is an *ex-officio* member of the committee of the school.

From the Hon'ble Mr. G. S. FORBES, I.C.S., Acting Chief Secretary to Government, to the Honourable the Chief Justice, dated 29th January 1902, Ref. No. 183, Judicial.

The Superintendent of the Reformatory School at Chingleput, in his capacity as District Medical and Sanitary officer, has occasionally to be absent from the station on tour. The Deputy Superintendent of the school has hitherto on such occasions performed the duties of the Superintendent in addition to his own, but for various reasons the Government considers it undesirable that that arrangement should continue. It has been suggested that the District Judge, who is an *ex-officio* member of the school committee, should, during such absences, hold temporary charge of the school. I am to inquire whether the Honourable the Judges have any objection to the proposal.

From A. L. HANNAY, Esq., I.C.S., Registrar of the High Court of Judicature, Madras, to the Chief Secretary to Government, dated 14th February 1902, Dis. No. 170.

With reference to your letter, Ref. No. 183, Judicial, dated 29th January 1902, enquiring whether the Honourable the Judges have any objection to the proposal that the District Judge of Chingleput, who is an *ex-officio* member of the Reformatory School Committee, should, during the absence of the Superintendent of the school from the station on tour, hold temporary charge of the school, I am directed to state that the Honourable the Chief Justice and the Judges strongly object on principle to a District Judge or any other purely judicial officer being deputed to perform duties that strictly appertain to the executive, even if he had the time to spare. But that is not the case in Chingleput where the Judge has ample work of his own which he would have to neglect for superintending the Reformatory.

ORDER—No. 245, Educational, dated 25th April 1902.

Orders will issue in the Public department in regard to the arrangements to be made for the charge of the school during the absence of the District Medical and Sanitary officer on tour.

2. No. III (vi) of the rules for the school will be altered as follows:—

During the absence of the Superintendent from the station the powers vested in him may, with the approval of the Inspector-General, be exercised by the revenue divisional officer, and similarly during the absence of the Deputy Superintendent the power vested in him may be exercised by the headmaster. Provided that in the latter case the headmaster shall not have power to punish any member either of the staff or of the establishment.

NOTES CONNECTED WITH G.O., No. 245, EDUCATIONAL, DATED
25TH APRIL 1902.

[SUBJECT.—Reformatory School, Chingleput.]

From the Director of Public Instruction, dated 18th January 1902, Ref. on Cur.
No. 8001 of 1901.

For the Assistant Secretary—

The current may be referred u.o. to the Judicial and Public departments for
remarks as to whether there is any objection to the Director's proposal.

PUBLIC DEPARTMENT.

The Sub-Collector is likely to be absent on tour at the same time as the District
Medical and Sanitary officer. It may be arranged that he should take charge of the
Reformatory school when he is present and the District Medical and Sanitary officer
is absent. If both officers are on tour at the same time, the District Judge may take
charge, but the consent of the High Court should apparently be obtained to the
arrangement.

C. S. SIMPSON.
23-1-02.

Chief Secretary—

The High Court may be asked if it has any objection?

A. R. KNAPP.
23-1-02.

The Joint Magistrate and Sub-Collector may be called away urgently at any
time so that it would not be proper to nominate him. The High Court may be asked
if they have any objection to the Judge being the Superintendent. Write a letter
explaining the case fully to the Chief Justice.

G. S. FORBES.
23-1-02.

JUDICIAL DEPARTMENT.

Letter to the Hon'ble the Chief Justice, dated 29th January 1902.

From the High Court of Judicature, Madras, No. 170, dated 14th February 1902.

The High Court objects strongly on principle to a purely judicial officer being deputed to perform duties that strictly appertain to the executive, even if he had the time to spare; and adds that the District Judge of Chingleput cannot, with due regard to his work, spare time for superintending the Reformatory. There appears to be thus no other course open than to accept the alternative that the Sub-Collector should be appointed to hold charge of the institution during the temporary absence of the District Medical and Sanitary officer.

2. But there will be no provision for the charge of the school, if the Sub-Collector and the medical officer are absent on tour at the same time.

C. S. SIMPSON.
18-2-02.

Chief Secretary—

The High Court's objection would seem to apply with equal force to the Judge's appointment as a member of the Reformatory Committee.

2. The papers may now be returned u.o. to Educational. As far as Public is concerned there is no objection to allowing the Sub-Collector and Joint Magistrate to take charge when he appears to be at Chingleput during the District Surgeon's absence.

A. R. KNAPP.

G. S. FORBES.

EDUCATIONAL DEPARTMENT.

A The Sub-Collector and Joint Magistrate may be put in charge of the school during the Superintendent's absence from the station, and the first half of rule III (vi) may be altered as follows:—

"During the absence of the Superintendent from the station, the Sub-Collector and Joint Magistrate of Chingleput may, when he happens to be at Chingleput, exercise the powers vested in the Superintendent subject, however, to the approval of the Inspector-General."

2. A difficulty will arise if both have to be away at the same time; but in the absence of any provision in the rule to put any one besides the Sub-Collector in charge, the District Surgeon will no doubt take care so to arrange his tours that he will be at headquarters when the Sub-Collector is away.

P. T. THARYAN.
20-2-02.

Forwarded to the Chief Secretary u.o.

2. At present the Sub-Collector, Mr. Dutt, at Chingleput could be of small assistance to the Deputy Superintendent. It seems a reason for keeping a European officer when possible at Chingleput that he may have to deal with a disturbance in the Reformatory. If a European Sub-Collector was always kept at Chingleput and a European medical officer, it might be ordered that where possible one or the other should be always at headquarters and then the Deputy Superintendent would have the assistance he wants.

M. HAMMICK.
12-3-02.

PUBLIC DEPARTMENT.

For the Under Secretary—

In D.O. No. 45, dated 24th January 1902, the Surgeon-General was told that the District Medical and Sanitary officer, Chingleput, should invariably be a commissioned medical officer. This, however, does not ensure that he will always be a European officer. It is for consideration whether further instruction on this point should issue to the Surgeon-General.

B 2. The question whether a European Sub-Collector can always be kept at Chingleput may be noted on in the establishment branch.

3. Orders to the effect that one or other of the two officers should always be at headquarters may be issued afterwards.

C. S. SIMPSON.
13-3-02.

Chief Secretary—

As far as the Medical department is concerned there appears to be no objection to telling the Surgeon-General that a European medical officer should always be posted to Chingleput.

As to **A**, I think "I.C.S. officer" is not a usual or neat phrase, and if the words "Chingleput divisional officer" can be substituted it will be better.

3. **C** is what we are asking for.

I concur with the Assistant Secretary. If orders are to issue in the Public department all that should appear in the Educational Government order is paragraph 2, and paragraph 1 should run:—
