NOTES CONNECTED WITH G.O., Nos. 249, 250, EDUCATIONAL,
DATED 28TH APRIL 1902.

[SUBJECT.—*Recognition of the commercial examination of the London Chamber of Commerce and the Cambridge senior local examinations.*]

For the Assistant Secretary—

In paragraph 9 of the letter to the Government of India, No. 175, dated 26th March 1902, it was stated that the question of recognizing, as a qualification for Government employment, the commercial examination of the London Chamber of Commerce and the high school examination of European schools would be considered, and that the senate would be consulted as to the recognition of the Cambridge senior local examination.

2. The high school examination of European schools has not yet been instituted in this presidency. The question of its recognition may be considered after it is instituted. Meanwhile the Commissioner for Government Examinations may be consulted regarding the recognition of the commercial examination of the London Chamber of Commerce, and if he is in favour of the proposal he may be asked to submit a draft of the necessary alteration in the public service notification.

3. Under No. 140 of the university by-laws the syndicate have power to recognize the Cambridge senior local examination. They may now be consulted about this.

4. If agreed, the two drafts placed below may issue.
