Adverting to the lists of articles alluded to in the

penultimate clause of para 14 of G.O.No.320 Educational, dated 10th June 1901, Major Vickers writes to say that the list so far as it relates to the proposed Medical School at Vizagapatam is not complete, that it is difficult to decide which of the articles can be obtained from the Medical Store Depot and which not and that there are several general points as well as details concerning which he wishes to consult this office as well as the Principal, Medical College. He also considers interviews with tradesmen &c., necessary as regards supplies. He therefore requests permission to come to Madras at State expense so as to settle every point and I recommend his request for the sanction of Government. The Assistant Surgeon will be in charge of the District during Major Vicker's absence.

I have the honor to be,

Sir,

Your most obedient servant,

Surgeon-General,
Surgeon-General with the Government of Madras.
