EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Commissioner for Government Examinations, Madras, to the Secretary to Government, Educational Department, dated 10th March 1902, No. 27/1 D.

ORDER—No. 254, Educational, dated 1st May 1902.

The draft notification submitted by the Commissioner does not correctly represent the proposals made by the Superintendent of the Madras Survey and approved by Government, and it will be modified as shown in the appendix. As thus altered, it will be published in the *Fort St. George Gazette*.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 254, EDUCATIONAL, DATED
1st MAY 1902.

[SUBJECT.—*Amendment of the Public Service Notification.*]

*From the Commissioner for Government Examinations, No. 27/1 D., dated
10th March 1902.*

For the Assistant Secretary—

Under the draft notification submitted by the Commissioner all field and deputy surveyors should possess the general educational qualification prescribed in articles 1 and 2 of the public service notification and, in addition, pass the departmental test now instituted. From Mr. Hatchell's letter printed in G.O., No. 39, Revenue, dated 8th January 1902, it appears that this was not intended. It would be enough if a candidate for the post of field or deputy surveyor possessed a certificate of having passed the departmental test. What is now necessary is, therefore, the revision of article 4 (4) of the public service notification and the omission of all mention of "Field surveyors" from the head "Survey department" in column 1 of schedule A and of "Probationary deputy surveyor" from the same head in schedule B. The Revenue department may be consulted u.o., and if they agree the Commissioner may be asked to submit a revised draft notification.

REVENUE DEPARTMENT.

To Under Secretary—

From paragraphs 4 and 5 of the Superintendent's letter under G.O., No. 39, Revenue, dated 8th January 1902, it appears that he did not intend that field and deputy surveyors should possess the general educational qualification besides passing the departmental test. The point however is not free from doubt. May a reference be made to the Superintendent?

A. APPADURAI.
20-3-02.

It would be safe to consult Mr. Hatchell u.o.?

N. E. MARJORIBANKS.
24-3-02.

Secretary—

Very well; but surely field and deputy surveyors ought to have the very inconsiderable general educational qualifications referred to.

G. S. FORBES.
26-3-02.

To the Superintendent, Madras Survey, u.o.

I did not intend that field surveyors or deputy surveyors of the Madras Survey department should possess the general educational qualifications prescribed in articles 1 and 2 of the public service notification. As reported in paragraph 6 of my letter printed in G.O., No. 39, Revenue, dated 8th January 1902, classifiers of the Settlement department who are exempted from the examination rules by article 3 (5) of the public service notification are on almost the same footing as deputy surveyors of the Survey department, but in order to make the latter better qualified for the performance of their duties I proposed a departmental test. The test will chiefly apply to the more than 1,000 surveyors who are at present borne on the temporary establishment, many of whom have completed a service of several years; and I am of opinion that they will find it difficult to pass in any two of the optional subjects prescribed for the primary examination which may be made compulsory for men who join the Survey department hereafter.

If my views meet with the approval of Government, the following additions and alterations will be necessary in the public service notifications:—

Additions under article 4, at end of page 2—

- (5) Field surveyors and deputy surveyors who were in service on 1st January 1902 are required to pass the departmental tests entitled the Field Surveyor's Test and Deputy Surveyor's Test respectively, but are not required to have qualified according to article 1 or 2.

Candidates entering the department in the abovementioned grades after 1st January 1902 will be required to have qualified according to article 1 before admission to the departmental tests.

- (4) In the first line after the words, "in all departments" add "except the Madras Survey department."

Alterations.

Schedule A, page 4, Survey department,
column 1, line 5.

Omit the words "Field surveyors."

Schedule B, page 6, Survey department,
line 15.

Omit the words "Probationary deputy surveyor" and the entry under column "Tests" opposite those words.

D. G. HATCHELL.
4-4-02.

To Revenue u.o.

To Under Secretary—

From the Superintendent's note above it will be seen that he proposes that field and deputy surveyors already in service on 1st January 1902 should not be required to possess the general educational qualification besides passing the departmental test, but that candidates entering service as field and deputy surveyors after that date should possess the general educational qualification. He accordingly indicates the alterations that are necessary in the public service notification put up below.

REVENUE DEPARTMENT.

Submitted that his proposals may be accepted, and the file be returned to the Educational department.
