Village Officers' Special Test Notification

Ordering the publication in the Fort St. George Gazette of a notification amending the note to paragraph 3 of the —.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following G.O., No. 188, Educational, dated 3rd April 1902 :—

Read—the following Reference from the Board of Revenue (Land Revenue), B. No. 136, dated 11th March 1902 :—

Reference—B. No. 136, dated 11th March 1902.

Under the note to paragraph 9 of the primary examination notification, as last revised in G.O., No. 119, Educational, dated 4th March 1901, candidates, who before the 1st April 1899 had passed any educational test higher than the primary examination and who wish to qualify for the office of karnam, are admitted to the examination in the optional subject, "mensuration", on payment of the prescribed fee. The Commissioner for Government Examinations now points out that the note as at present worded would apparently debar candidates who have passed a higher examination, e.g., the lower secondary examination, subsequent to 1st April 1899, from admission to the examination in the optional subject, and accordingly recommends that the restriction should be withdrawn, all candidates being permitted to qualify for admission to the karnam's test, irrespective of the year in which they passed such higher examination. The Board supports this recommendation and suggests that the words "who, before the 1st April 1899, had passed" be omitted from the note under reference. The word "have" should also be inserted immediately after the words "candidates who".
