## Mappilla Salary-result Schools in the Malabar District.

Sanctioning, with certain modifications, the proposition statements submitted by the President, District Board, Malabar, for the reduction in the number of Mappilla salary-result schools, and stating that orders will issue in the Educational Department on the proposal of the Director of Public Instruction that the contribution payable to the Malabar District Board from Provincial funds towards the maintenance of Mappilla schools should be raised from Rs. 2,100 to Rs. 2,200.

## GOVERNMENT OF MADRAS.

## LOCAL AND MUNICIPAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 692 L., dated 26th April 1901.

READ—also the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-law, Director of Public Instruction, Madras, to the Secretary to Government, Local and Municipal Department, dated 15th March 1902, Ref. on C. No. 552.

I have the honour to submit, with the following remarks, the accompanying letters from the President, District Board, Malabar, Ref. on C. No. 425-L.F. of 1901, dated 22nd January and 20th February 1902:—

(1) The Malappuram Taluk Board have placed the school at Chaliyam in the Ernad taluk in class B. This school is reported by the inspecting officers to be one of the best-managed schools in the taluk with a large attendance and to deserve a place in class A. I beg to recommend that it be raised accordingly to this class, though this proposal will have the effect of increasing the total number of schools in class A from 5, the number sanctioned in G.O., Mis. No. 692 L., dated 26th April 1901, to 6. If this recommendation is approved, I beg to suggest that the place of Chaliyam in class B be allowed to be taken by the school at Nellikuth, which the Malappuram Taluk Board propose to abolish. The latter school, which is situated in the Payyanad amshom of the Ernad taluk, is one of the 14 schools, the cost of which is borne by Government. It is reported to be in an efficient condition, 9 pupils including 1 Hindu and 1 Mappilla girl having passed the Primary examination during the past two years out of 11 presented from it. I see therefore no reason to abolish it.

The additional cost of the above proposals will be Rs.  $31 \times 12$ , or Rs. 372 per annum; but this will be reduced to Rs. 102 per annum if the saving of Rs. 270 referred to in paragraph 2 of the endorsement of the President, District Board, Malabar, Ref. on C. No. 425-L.F. of 1901, dated 20th February 1902, submitted herewith, be taken into account. To meet this extra amount I beg to propose that the Government contribution of Rs. 2,100 per annum be raised to Rs. 2,200 in round numbers.

(2) The Board primary school at Malappuram, known as the Saidammarmakhan school, which finds a place in class A, is now located in the same building as the Government Mappilla training school at the station and is used as the practising section of the latter. As it is apparently intended to move the former out of the training school building, I request that the Malappuram Taluk Board be required, if necessary, to permit the students of the training school to visit their primary school and occasionally to teach the classes in it under proper supervision.

(3) It is not usual to show in the proposition statements details of charges relating to house-rent and contingencies.

(4) I enclose for reference a copy of the District Board President's letter, Ref. on C. No. 425/L.F. of 1901, dated 16th January 1902, referred to in his letter, dated 22nd idem.

## ENCLOSURES.

From A. F. PINHEY, Esq., I.C.S., President, District Board, Malabar, to the Secretary to Government, Local and Municipal Department (through the Director of Public Instruction, Madras), dated Calicut, 22nd January 1902, Ref. on C. No. 425-L.F. of 1901.

In continuation of this office endorsement, dated the 16th instant, Ref. on C. No. 425-L.F. of 1901 on copy of letter to the Director of Public Instruction of the same date, I have the honour to submit herewith four proposition statements showing the reduction in the number of Mappilla salary-result system schools under each of the Taluk Boards of Tellicherry, Calicut, Malappuram and Palghat as approved by Government in G.O., Mis. No. 692 L., dated 26th April 1901. As already remarked in my letter Ref. on C. No. 425-L.F., dated the 3rd July last, the question as to which of the existing 91 schools should be abolished and which retained was decided by the two Mappilla Sub-Assistant Inspectors of Schools in consultation with the Presidents of Taluk Boards.

2. With regard to the reduction in the number of schools under the Malappuram Taluk Board, I beg to state that the existing 27 schools include the 14 Government schools sanctioned in G.O., No. 530, Educational, dated 24th June 1895, for the taluks of Ernad and Walavanad. These 27 schools are now proposed to be reduced to 16 and redistributed in the two taluks. It is not known how many of these 16 schools are proposed to be treated as Government schools and how many as Board schools. In his budget for next year the President, Taluk Board, Malappuram, has taken credit for the full amount of Rs. 2,100 as Provincial grant for the 14 Government Mappilla schools. A reference has therefore been made to him on this subject. His reply, when received, will be submitted to Government.

From A. R. LOFTUS-TOTTENHAM, Esq., President, Taluk Board, Malappuram, to the President, District Board, Malabar, dated 24th January 1902, No. D. 49-L.F.

With reference to your endorsement, Ref. on C. No. 425, dated 22nd January 1902, I have the honour to state that under the Director of Public Instruction's letter No. 14671, dated 6th March 1901, approved in G.O., Mis. No. 692 L., dated 26th April 1901, the 16 schools that are proposed to be retained under this Board are to be held at convenient centres. The 14 Government schools sanctioned in G.O., No. 530, Educational, dated 24th June 1895, are all in class C, while this class of schools under this Board according to the new scheme is only 6. Eleven of these 14 schools are now held in out-of-the-way places with unsatisfactory attendance. I have therefore proposed to retain 3 of the 14 schools at the marginally-noted centres and to remove the Trikunnesseri school to Wandur. The remaining 10 schools are to be closed and the savings affected thereby utilized in meeting the excess expenditure in the schools proposed to be retained.

2. Two new schools have also been proposed to be opened at Kottakkal and Tirurangadi where they are likely to be appreciated.

3. There are at present 27 Mappilla schools including the 14 Government schools under this Board, and although they are to be reduced to 16, yet the saving to the Board thereby is only Rs. 309 per annum. As the Board is unable to maintain the 16 schools proposed to be retained without the Government contribution of Rs. 2,100, and as under the new scheme the existing schools are only to be amalgamated and redistributed at convenient centres, the full amount of contribution was taken credit on the receipt side.

Ref. on C. No. 425-L.F.

True copy submitted to the Secretary to Government, Local and Municipal Department (through the Director of Public Instruction), in continuation of this office letter, Ref. on C. No. 425-L.F. of 1901, dated 22nd January 1902.

2. With regard to paragraph 3 of the letter, the correct amount of saving to the Board is Rs. 270 (not Rs. 309) per annum as shown below:—

CALICUT,  
20th February 1902.

A. F. PINHEY,  
President, Malabar District Board.

ORDER—No. 398 L., dated 21st April 1902.

The proposition statements submitted with the President's letter No. 425, dated 22nd January 1902, are sanctioned, subject to the modifications recommended in clause (1) of the Director's letter read above. The Government trust that under proper supervision the new arrangements now approved will conduce to better results in future.

2. The Malappuram Taluk Board will be requested to accede to the request of the Director that the students of the Government training school at Malappuram should be permitted to visit and occasionally teach the classes in the Board's primary school at the place known as Saidammarmakhan school.

3. Orders will issue in the Educational Department on the proposal of the Director that the contribution, payable to the District Board from Provincial funds towards the maintenance of Mappilla schools, should be raised from Rs. 2,100 to Rs. 2,200.
