Kumbakonam College.—Reviewing report on the working of the — during 1901.

Dis. No. 2499.

PROCEEDINGS OF THE DIRECTOR OF PUBLIC INSTRUCTION, dated 1st May 1902.

Report on the working of the Kumbakonam College during 1901.

Read the following letter from H. S. DUNCAN, Esq., Acting Principal, Kumbakonam College, to the Director of Public Instruction, Madras, dated 18th March 1902, No. 110:—

I have the honour to submit my report on the working of the Kumbakonam College for the calendar year 1901.

2. *Changes in the Staff.*—There were several changes in the staff during the year. M.R.Ry. R. Chakravarti Aiyangar, whose tenure as Acting Assistant Inspector of Schools, Madura-Tinnevely division, expired on the 16th January 1901, took privilege leave for three months from the 17th, the acting arrangements at the end of the previous year continuing. Mr. P. P. DeRozario's permanent appointment was changed to the Headmastership of the Government Madrasa-i-Azam, and he was transferred to the Mangalore College as Acting Principal, handing over charge here on the afternoon of the 7th March. M.R.Ry. Chakravarti Aiyangar on his return from privilege leave was posted as Acting lecturer in his stead and he took charge on the forenoon of the 11th March. Ghousekhan Sahib, gymnastic instructor, was sent for training to the Teachers' College on the 2nd April, and he joined duty again on the 17th December. M.R.Ry. S. Narayanasami Aiyar, lecturer, took furlough for $4\frac{1}{2}$ months from the 10th July 1901 and returned to duty on the 26th November, M.R.Ry. K. P. Gurusami Aiyar of the Presidency College acting for him. Towards the end of July, M.R.Ry. Chakravarti Aiyangar was made permanent lecturer, Rajamundry College, and was allowed to continue as lecturer here. M.R.Ry. N. Raghavendra Rau was permanently posted to the vacancy thus created, but continued to act as second Junior Assistant Professor, Presidency College. On the 6th August M.R.Ry. Chakravarti Aiyangar fell seriously ill, and had to take furlough for one year on medical certificate from that date. M.R.Ry. K. R. Duraisami Aiyar was temporarily promoted to the Provincial service, M.R.Ry. V. R. Venkataramaiyar acting for him as first Assistant lecturer, and M.R.Ry. Ch. Bhagavanlu Pantulu of the Government Madrasa-i-Azam was brought over to fill M.R.Ry. Venkataramaiyar's place. On the return of M.R.Ry. Narayanaswami Aiyar from furlough on 26th November 1901, M.R.Ry. K. P. Gurusami Aiyar was appointed to act in the Provincial Service again vice M.R.Ry. K. Ramunni Menon and M.R.Rys. Duraisami Aiyar and Venkataramaiyar reverted to their previous acting appointments of First and Second Assistant Lecturers, respectively, while M.R.Ry. Ch. Bhagavanlu Pantulu returned to the Government Madrasa-i-Azam.

3. *Accommodation and Furniture.*—Application has been made for the purchase of 10 reversible desks, and when these are supplied, the college will be equipped with suitable furniture.

4. *Library.*—The following tables show the extent to which the library was used during the year.

In the B.A. classes, there was an increase of two, while in the F.A. there was a decrease of eleven due to a slight falling off in the strength of the senior F.A. class.

6. The following table shows the distribution of the students according to the districts to which they belonged:—

8. *Examinations.*—The annual examination of the junior classes was conducted as usual by the members of the staff. All the students of the junior B.A. class secured promotion in the Second Language Division; one in the Mathematics section and two in the English Language Division were not promoted, while one student failed to secure promotion in any branch. Four students were not found fit for promotion to the senior F.A. class.

The following statement compares the results of the University examinations held in 1900 with those held in 1901:—

Examinations.	Number applied.	Number examined.	Number passed.				Percentage for 1900.	Percentage for 1901.
			Class.

The results of the F.A. examination are not satisfactory. Of the students that sat for the examination 37 had appeared on a former occasion and failed, and of this number only six passed. They received special instruction in the English texts taught the previous year, and for Mathematics and History were formed into a class by themselves, so that they were given every advantage. It is this class, the B section, that has lowered the percentage, because from the A section, composed of boys promoted from the junior class at the beginning of the year and numbering 31, 14 passed. From the table giving an analysis of failures, it will be seen that the class as a whole was below the average and not capable of giving better results.

In the English Language Division of the B.A. examination the results may be considered satisfactory, and show an improvement on those of last year. One student was awarded the Rama Rau gold medal. The Tamil Pandit, M.R. Ry. V. Saminathaiyar, has produced excellent results, while the percentage in Sanskrit is satisfactory. The results of the History and Philosophy branches call for no special remark except that M.R. Rys. Sundararamaiyar and Duraisami Aiyar were unfortunate in having their best student laid up with fever at the time of examination. This boy was expected to stand high in the first class in branch V. The results in Mathematics show a very great improvement and reflect credit on M.R. Rys. R. Chakravarti Aiyangar, V. R. Venkataramaiyar and R. S. Krishnasami Aiyar. After the disappointment of last year, the percentage this year is most gratifying. M.R. Ry. R. Chakravarti Aiyangar was engaged with this class for about seven months during the two

years, so that the main part of the chief lecturer's work fell on M.R. Ry. V. R. Venkataramaiyar, who fulfilled his duties to my entire satisfaction.

An analysis of failures at the F.A. Examination is given below along with the names of the officers who were engaged in teaching the various subjects:—

Subject.	Number failed.	Names of officers.

10. *College Prizes and Scholarships.*—The following students have been recommended for the Morris' medal and Beauchamp and Muppanar's prizes, and your sanction is awaited:—

S. T. Srinivasagopalachari	Morris' medal.
K. Ramachandran	Beauchamp and Muppanar's prize (English composition).
T. N. Venkataraman	Beauchamp and Muppanar's prize (Mathematics).
T. Sundaram	Do. do. (History).
J. Krishna Rau	Do. do. (Philosophy).

The Subrahmaniyam scholarships were held by—

(1) V. Rangasami.	(3) V. Kuppu Rau.
(2) N. Ramaiya.	(4) T. K. Gopalan.

The Edward Bird scholarship was held by R. Krishnasami Sastri.

11. The services of non-gazetted officers were verified and brought up to date.

12. The bye-laws laid down in the University calendar were followed.

13. The discipline of the college was satisfactory and the members of the staff report favourably on the working of the tutorial system. Eight meetings were held during the year.

14. I am glad to be able to state that the students showed a keener interest in the working of the Literary society than they did last year, and that several good papers were read by the members.

The Tamil society also worked satisfactorily.

15. Football continued to be the most popular pastime of the students, and several matches were played with teams from Tanjore and from the schools of Kumbakonam. A match also took place between past and present students, and I hope that this meeting will become an annual one. Tennis did not attract so many as it did the previous year. The college sports were again a great success, and many people from Tanjore attended the meeting, at the close of which Mrs. Andrew distributed the prizes. M.R.Ry. R.S. Krishnasami Aiyar again proved himself a tower of strength, and the arrangements and conduct of the sports reflect great credit on his energy and management. Old students of the college contributed liberally to the Prize fund, and I take this opportunity of thanking them for the handsome way in which they assisted in bringing the sports to a successful termination.

Recreation Club.—The following statement shows the receipts and charges of the recreation club for the year:—

17. *General.*—The appeals sent out to former recipients of scholarships from the Poor fund met with a very fair response, and the fund is therefore on a slightly better footing than it was in 1900.

In my next report, I hope to be able to say that the building of the hostel has been commenced. There are promising signs of the land being acquired in a few weeks' time, and immediately that is done, levelling operations will be started and the foundations laid. The Executive Committee of the Hostel fund has decided to acquire the whole piece of land stretching from the late M.R.Ry. Thumbusami Mudaliyar's bungalow to the college. In conclusion, I wish to thank all the members of the staff for their ready co-operation in every kind of work connected with the college.

Proceedings, Dis. No. 2499 of 1902.

Staff.—There were, as detailed in paragraph 2 of the report, numerous changes in the *personnel* of the staff, but they were on the whole unavoidable.

2. *Library.*—Fair use appears to have been made of the library during the year. The number of books in the library at the beginning of each year should be reported in future.

3. *Strength and attendance.*—There was a further decline from 189 to 180 in the total strength of the college, the decrease being shared by the Junior B.A. and the Senior F.A. classes. The philosophy section of the B.A. classes was poorly attended, the history and mathematical sections being more popular. The students were nearly all natives of Tanjore, and as usual, Brahmans, mostly of the landholder class, preponderated in the college.

4. *Examinations.*—The results at the First examination in Arts were bad, but at the B.A. degree examination the results in the language divisions and in the mathematics branch of the science division, more especially the latter, compared favourably with those of the previous year. It is to be regretted, however, that except in mathematics none of the successful candidates at the B.A. degree examination showed sufficient merit to secure a first class. The poor results of the First examination in Arts are ascribed to the generally inferior attainments of the students, and the analysis of the failures at this examination furnished in the report lends some support to this view. English should receive greater attention in the F.A. classes.

5. *Finance.*—The charges during the year amounted to Rs. 36,702, towards which fees and other receipts contributed Rs. 12,656. The net cost to Government was thus Rs. 24,046, or Rs. 2,570 more than in the previous year, the excess being caused by a fall in the fee income and an increase under salaries of staff and contingencies. The net cost of educating each student thus rose from Rs. 119 to Rs. 147.

6. *Tutorial system and discipline.*—The tutorial system continued to work well and the discipline of the college was also well maintained.

7. *Physical education.*—The physical education of the students received proper attention under the guidance of M.R.Ry. R. S. Krishnasami Aiyar. The Director notes with pleasure the interest that has been evinced by several of the former students of the college in this matter. The financial condition of the recreation club was not as satisfactory as in the previous year though the club continued to be more than self-supporting.

8. *General.*—The account given of the working of the Literary and Tamil societies connected with the college is satisfactory. The Poor fund is also stated to be in a better condition than before. The steps taken towards the acquisition of a suitable site for the students' hostel are noted. The submission of the reports of individual lecturers along with the annual report has been discontinued this year with reference to Proceedings, Dis. No. 3447, dated 18th June 1901, but it is presumed that such reports continue to be furnished to the Principal. The particulars given

in paragraph 9 of the report need not be furnished in future. All the tabular statements appearing in the text of the report should in future be relegated to the appendix, the facts based upon these statistics being alone introduced in the body in narrative form.

9. The administration of the college during the year was satisfactory.
