Read the following letter from J.Twigg, Esquire, I.C.S.,
Ag. Collector of Sea Customs, Madras, No.S.477, dated 11th
April 1902:-

" I have the honour to recommend for the favourable
consideration of the Board and of Government the grant of an
honorarium to Mr.C.Kiernander, Assistant Commissioner in the
Salt, Abkari and Customs Department, for services rendered in
valuing the stock in the aluminium factory of the School of
Arts.

2. His work consisted in weighing and valuing
the material and goods and in arranging and classifying the
latter to facilitate the working out of their values. The
stock taking occupied the four days of the Easter vacation
and the valuation was given in two days later, but this gives
no adequate idea of the labour involved as in order to com-
plete the valuation in time to enable the Accountant-General
to place the result before Government before his departure
Mr.Kiernander worked very long hours and thus completed in

the short space of six working days, a task which would ordinarily have occupied a much longer time.

3. The Accountant-General has spoken highly of the trouble and care taken by Mr. Kiernander and will support my recommendation to the grant of an honorarium. As to the amount, Mr. Kiernander's pay is Rs. 700 a month, and I would suggest the grant of a sum not less than Rs. 250, "and

The following Board's Reference thereon, dated 15th April 1902, to the Accountant-General, Madras:-

"Forwarded to the Accountant-General for favour of remarks".

Read also the following reply to the above Reference from C. E. Crawley, Esquire, Officiating Accountant-General, Madras, No. G. 145/1038, dated 2nd May 1902:-

"There is no Audit objection to the grant under Article 89(b) of the Civil Service Regulations of an honorarium to Mr. Kiernander, if the Board considers that the work performed by him in valuing the stock of the Aluminium Department of the School of Arts was special and outside the ordinary course of his duties and that it did not interfere with the discharge of those duties.

2. The honorarium if sanctioned will be debited to "9 Customs" under which head the necessary re-appropriation should be made".

Reference.

Submitted to Government.

2. Mr. Kiernander appears to have taken considerable

trouble over the valuing of the aluminium and as he did a great part of the work in the Easter holidays the Board is prepared to support the Collector's recommendation that he should be given an honorarium. It thinks, however, that Rs. 100 should be enough.
