FURTHER PAPERS.

To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to forward herewith, for the consideration of His Excellency the Governor in Council, a letter received from Mr. J. A. Jones on the subject of a *Conversazione*, which it is proposed to hold in the hall of the Connemara Public Library, which is soon to be vacated by the Literary Society.

2. I need only add that the idea of the *Conversazione* is to my mind a very excellent one, and that the suggestion that it should take place in the Connemara Public Library (as well as the Anthropological Laboratory and theatre) has my personal support, in as much as the normal working of the Library and Museum will not be in any way upset.

I have the honour to be

Sir,

Your most obedient servant,

Edy. Thurston

Superintendent,
Museum

Madras,

24th May 1902.

From

J. A. Jones Esq., Mem. Inst. C.E., F.R.S.E.,

Honorary Secretary,

Scientific Conversazione Committee,

Madras.

To

The Secretary to Government,

Educational Department,

thru' E. Thurston Esq.,

Madras Museum.

Sir,

I have the honour to inform you that the following gentlemen have formed themselves into a committee in order to give the Madras Public an entertainment somewhat after the character of those *conversazione* given by the Royal Society and the Institution of Civil Engineers:-

Lt. Col. W.R. Browne, M.D., I.M.S.

Lt. Col. J.L. Van Geyzel, M.B., F.I.C., F.C.S., I.M.S.

Lt. Col. H.D. Love, R.E.

Captain J.W. Cornwall, M.D., I.M.S.

E. Thurston Esq., L.R.C.P., L.S.A., F.R.M.S., C.M. B.S.

J.A. Jones Esq., Mem. Inst. C.E., F.R.S.E.

2. They propose to hold this scientific *conversazione* on or about November next; and on behalf of the Committee as Honorary Secretary, I have the honour to request Government will be good enough to grant the Committee for three evenings the use of the Library in the Museum (the most suitable place in Madras) which, it is thought, will by that time have been

vacated.

202-202-202-202 (2)
vacated by the Literary Society.

3. The Committee propose to levy fees for admittance in order (1) to partly cover the expenses which in respect to an entertainment of the above description are somewhat high and (2) to prevent great crowding which might otherwise occur. These fees will be as low as possible, it being the intention of the Committee that the entertainment should be an instructive as well as a social function and that therefore no one interested in scientific subjects should be prevented from attending.

I have the honour to be,

Sir,

Your most obedient servant.

Honorary Secretary,
Scientific Conversazione Committee.

CNO 820
