Reports and Returns.

Approving the proposal of the Director that the annual report on the working of the School of Arts be prepared for the official year and the date of its submission to Government be altered from 1st June to 1st August, and making the necessary alterations in the appendix to G.O., No. 331, Educational, dated 17th June 1901.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 23rd May 1902, Ref. on C. No. 3134.

In G.O., No. 55, Educational, dated 4th February 1901, it was ordered that the annual reports on certain educational institutions should relate to the calendar year. The School of Arts is one of these institutions; but Mr. Chatterton points out that the preparation of the report for the official year will be more convenient as the institution is mainly an industrial school and as such the accounts are difficult to prepare for a calendar year and the figures are likely to be inexact. I have the honour therefore to request that you will be so good as to obtain the sanction of Government for the report now due and all future reports being prepared for the official year as formerly instead of for the calendar year and for the date of its submission to Government being altered from 1st June to 1st August.

2. I have in anticipation of the sanction of Government instructed Mr. Chatterton to adopt the old arrangement for the report that is now due from him.

ORDER—No. 326, Educational, dated 29th May 1902.

The proposal of the Director is approved.

2. The necessary alterations will be made in the appendix to G.O., No. 331, Educational, dated 17th June 1901.
