GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper :—

From Diwan Bahadur V. KRISHNAMA CHARIAR, Registrar of Books, Madras, to the Director of Public Instruction, dated 15th May 1902, No. 172.

I have the honour to submit, for transmission to Government, copies of the printed catalogue of the publications registered during the first quarter of 1902 with an additional column showing the dates on which copyrights are registered as directed in G.O., No. 35, dated 23rd January last.

2. The publications delivered for registration during the quarter are 359. This is the highest number ever recorded in any quarterly catalogues excepting the catalogue for the second quarter of 1889 in which curiously enough the same number appeared. Of these, 269 have been grouped as "books" and 90 as "periodicals."

3. According to a linguistic classification there are 123 works in English, 98 in Tamil, 71 in Telugu, 11 in Malayalam, 9 in Canarese, 1 in Tulu, 1 in Sourashtra, 1 in Hindustani and 44 in Sanskrit including both the Grandha and Nágari editions.

4. About 36 per cent. of the total number registered are works designed for educational purposes.

5. The accompanying catalogue counts 98 works, whose proprietors have registered their copyright paying the prescribed fee, excepting six Government publications registered free of charge.

6. Besides this number, the proprietors of seven works, delivered for registration during the third and fourth quarters of last year, have also registered their copyright during the first quarter of 1902, but the entries cannot find a place in the present catalogue.
