To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to submit an indent for a Yost typewriter No 4 for the School of Commerce, Calicut and to request that the Superintendent of Stationery may be instructed to arrange for its supply as early as possible.

2. The necessity for an additional typewriter is explained by the fact that the "Remington" No 5 in the school has become unfit for use and consequently will have to be returned to the

Superintendent of Stationery. A machine of the "Yost" pattern is required, because, while there are as many as five Remington typewriters in the school, there is only one "Yost" and as under the recent orders of Government, both the Remington and Yost typewriters have been approved for use in public offices, it is desirable that the students should be trained to use both kinds.

3. The school reopens on 1st July next and it will be an advantage if the typewriter is supplied by that time.

I have the honour to be,

Sir,

Your most obedient servant,

J R Sene
