Sanctioning, with remarks, a grant of Rs. 6,500 for the establishment of a hostel in connection with the Rajahmundry College, and requesting the Director of Public Instruction to submit definite proposals in regard to the management of the hostel.

EDUCATIONAL DEPARTMENT.

G.O., No. 749, Educational, dated 14th December 1901.

READ—also the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 22nd April 1902, Ref. on C. No. 1177.

Referring to G.O., No. 749, Educational, dated 14th December 1901, I have the honour to request that Government will be pleased to pass orders on the correspondence ending with letter No. 12923, dated 20th November 1899, of Dr. Duncan relating to the establishment of a hostel in connection with the Rajahmundry College.

ORDER—No. 344, Educational, dated 9th June 1902.

The establishment of the hostel may now be proceeded with.

2. The arrangement proposed in the Director's letter No. 12923, dated the 20th November 1899, seems to be open to no objection. According to this arrangement the building will be constructed on a site to the south of the college, to be acquired by the hostel committee, and only a portion of the cook-houses will be situated within the college compound. This portion of the compound will remain the property of the Government, but the committee will be permitted to build on it under a legal agreement requiring the building to be utilized for the specified purposes under penalty of resumption. The latrine which now stands on the site proposed for the cook-house will be removed to the north-west corner of the college compound at the cost of the committee.

3. The committee proposes to construct cook-rooms for two castes only, but the Governor in Council considers that kitchen and dining accommodation should be provided for students of all castes. Subject to this condition and on the understanding that the plans and estimates are approved by the Consulting Architect, the Government are pleased to sanction a grant of Rs. 6,500 towards the hostel; the grant will be paid when the balance of the subscriptions promised has been collected.

4. As regards the management of the hostel, the Director of Public Instruction will be requested to submit definite proposals after consulting the Government Solicitor.

5. With reference to paragraph 4 of the Director's letter read in G.O., No. 514, Educational, dated 8th August 1899, the Public Works department will be informed that if the lecture shed sanctioned in G.O., No. 2356 W., dated 10th September 1898, has not yet been constructed, no further action need be taken in the matter.

NOTES CONNECTED WITH G.O., No. 344, EDUCATIONAL, DATED
9TH JUNE 1902.

[SUBJECT.—*Rajahmundry hostel.*]

From the Director of Public Instruction C. No. 1177, dated 22nd April 1902.

For the Assistant Secretary—

Orders on the correspondence relating to the establishment of a hostel in connection with the Rajahmundry college were deferred pending decision about the future of the college. Mr. Stuart in his letter on pages 7 and 8 of G.O., No. 749, Educational, dated 14th December 1901, recommended that this question should be dropped for some time to come and his recommendation was accepted. No further steps were therefore taken regarding the hostel.

2. It seems, however, extremely doubtful whether the college will be abolished at all. The chances are that if a private committee comes forward to take it up it may be abolished as a Government institution but then it will be continued as a private institution. Even otherwise and if the college is entirely abolished the training * section will still be there and will require a hostel. There appears therefore to be no objection to proceeding with the hostel scheme at once.

* Yes.

Secretary—

I spoke about this Rajahmundry question a few days ago.

2. It seems pretty certain that it will not be abolished, at any rate for a very long time to come, and therefore it will be best to proceed with the hostel scheme.

So much of the money concerned is private money—Rs. 7,500—that it is hardly fair to keep the matter hung up indefinitely. There is every probability that there

will be always a college or training institution at Rajahmundry—private or Government—and it is submitted that the hostel scheme might be approved. If not it must be definitely negated to allow of the subscription being devoted to some other object.

The draft enters, perhaps, a little too much into detail, but may do. We had better, however, ask Public Works department to accept it. Perhaps they may be able to say what are the facts about the lecture shed, and if so the last paragraph of the draft will require alteration.
