There is no audit objection to the sanction of Government being accorded to the creation of the appointments mentioned in the proposition statements.

In that case it is requested that Government will declare under G.O. No. 933 Public, dated 18th November 1893, whether the appointments of Assistant Inspectresses should be treated as Gazetted appointments or not.

NOTE FOR THE ASSISTANT SECRETARY.

The proposition statements may in the first instance be sent to the Financial Dept for acceptance.

2 As the appointments of the three assistant inspectors of girls' schools are not to be included in the Provincial service they will not be gazetted appointments.

I think they should be included in the Prov^t Service, and that they should be gazetted. They cannot be treated as members of the subordinate service. The Director said that the assistant and sub. assistant inspectors should be kept distinct for purpose of promotion &c. from the corresponding appointments for boys' schools but that can be done by having two divisions of the Provincial and Subordinate services. The file may be sent to the Director u.o. for remarks on this point.
