FURTHER PAPERS.

Educational Department.

Sir,

The concession regarding the levy of a reduced scale of fees in English schools under public management in backward localities first granted by Government in its order No 702, Educational, dated 22nd September 1894, and subsequently extended for a further term of five years in G.O.No 191, Edul., dated 1st April 1897, expired on the 31st December 1901 but the Inspecting officers consider that the condition of education in those localities has not yet sufficiently improved to justify the withdrawal of the concession and they therefore urge its continuance for a further period. I agree with them and

have accordingly the honour to request that the concession may be extended for a term of five years from 1st January 1902.

2. The Board High school, Harpanahalli, is situated at a kasba station and such stations are not entitled to the concessions allowed to backward localities. Under a misapprehension of the meaning of the orders of Government defining such localities reduced fees have however continued to be charged in the school up to the present time. The Inspector considers that in view of the educational backwardness of the place, an exception should be made in the case of the school at Harpanahalli and that it should be allowed to charge fees at the same reduced rates as are allowed for backward localities. I beg to support his recommendation.

I have the honour to be,

Sir,

Your most obedient servant,

T R Snow

For Director of Public Instruction.
