Copy of letter from W. Francis, Esq., I.C.S., Editor of the ~~Madras~~ Gazetteer, No. 1, dated 11th June 1902:-

I have the honour to submit for the sanction of Government a proposition statement in duplicate for the establishment required for the revision of the Gazetteer. The statement provides for the entertainment of the same establishment as that which is entered in the Budget with the one exception that the post of a clerk on Rs. 30 shown in the Budget has been split into two posts, namely, those of a clerk on Rs. 20 and of a much on Rs. 10. This clerk will not, however, be entertained at present or until he is really required and the other clerk will for the present draw only Rs. 25 instead of the Rs. 30 entered in the Budget.

2. I propose to retain as my assistant S. Dandapani Aiyar who was my assistant during the Census work. He drew Rs. 75 in the latter post and I have accordingly provided Rs. 75 for him again now. As, however, his permanent appointment is that of a clerk on Rs. 25 in the Land Revenue side of the Board the formal sanction of Government to his retention on this pay is apparently necessary under the Orders in G.O. No. 322 Financial dated 7th April 1902, and I beg that this may be accorded.

3. The clerk, the much and the peon whom I propose to entertain were also employed in the Census offices. None of them have passed the examinations required from persons permanently employed in Government offices on the salaries they will draw. In common with other candidates for the Census offices, they were exempted in G.O. No. 36, Educational, dated 23rd January 1901 from the examination rules, and I beg that this exemption may be continued to them while they are working in the Gazetteer office and may be extended to any other persons engaged for that office. For such temporary work it is most difficult to get ^{men} ~~them~~ qualified under the examination rules unless higher rates of salary are paid.

4. I propose to transfer to the Gazetteer office the cyclostyle, typewriter and calculating machine obtained for Census, crediting the latter and debiting the former with approximate value.

5. A permanent advance will be required for the Gazetteer office, but the Rs. 100 sanctioned for the Census office (G.O. No. 476, Financial, dated 4th May 1900) is larger than will now be necessary. I beg that Government will sanction a permanent advance of Rs. 50 for the new office, and I will then surrender the advance which the Census office holds.
