C. No. 971, From the Com. for Govt. Examns., No. 341/42, Dated 25th June 1902.

Subject. Alterations in Govt. technical examination notification.

The draft notification submitted by the Commissioner may be approved, ^{as altered (vide copy below)} and published in the Fort St George gazette.

I think that the C.G.E.'s office might take more pains in drafting. Numerous notifications in the past have been altered verbally, but every fresh one is as faulty & badly drafted as that before it. ~~But~~ I submit that in these cases it is simplest to word alterations & additions in the way in which they would be worded if a section or schedule to an enactment was being amended.
