JULY.

Stay of the Director of Public Instruction on the Hills.

Stating that the Governor in Council is not prepared to permit the Director of Public Instruction to remain at Ootacamund for such time as that station is the head-quarters of Government and to travel to and from Ootacamund at the public expense.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated Ootacamund, 24th June 1902, No. T/3.

I have the honour to request that Government will be pleased to reconsider G.O., No. 877, Public, dated 9th July 1898, and permit me to remain at Ootacamund for such time as that station is the head-quarters of Government. In matters connected with the administration of the Medical College and the College of Engineering, I have frequently to consult the Surgeon-General and the Chief Engineer; and in the administration of a large department there are many occasions on which it is of advantage to be able to confer immediately with Government and to obtain their orders without delay. Further, the Director is now almost always a member of the Legislative Council, and for this reason alone he would be obliged to travel to Ootacamund and back as there is generally at least one meeting of the Council held on the hills in the course of the year.

When I was at the Educational Conference at Simla last year, I was informed that the Directors of Public Instruction in Bengal and the Punjab always accompany their Governments to the hills, and the same is the case, I believe, in the other provinces, except Bombay where the Director's head-quarters are permanently at Poona. In view of these circumstances the Government will, I pray, grant my request, permit me to travel to and from Ootacamund at the public expense and extend the provisions of the Hill Allowance Code to the office establishment accompanying me, which will be restricted to one clerk and two peons. In conclusion, I request that the orders of Government on this subject may have effect from the beginning of the current year.

ORDER—No. 402, Educational, dated 14th July 1902.

The Governor in Council is not prepared to comply with the Director's request.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 402, EDUCATIONAL, DATED
14TH JULY 1902.

[SUBJECT.—*Stay of the Director of Public Instruction on the Hills.*]

From the Director of Public Instruction, No. T/3, dated 24th June 1902.

In G.O., No. 877, Public, dated 9th July 1898, heads of departments whose head-quarters are at the presidency were permitted to spend not more than two months in each year with Government at Ootacamund, provided that no extra expense to the State was incurred thereby.

2. The Director now requests a reconsideration of this order and asks for permission to remain at Ootacamund for such time as it is the head-quarters of Government. It is also requested that he may be permitted to travel to and from Ootacamund at the public expense, that the provisions of the Hill Allowance Code may be extended to the office establishment accompanying him which will be restricted to one clerk and two peons, and that these concessions may have effect from the beginning of the current year.

3. In G.O., No. 1022, Public, dated 8th October 1901, the Government have permitted the Surgeon-General to spend four months each year at Ootacamund and to travel to and from that place at the public expense and have extended the provisions of the Hill Allowance Code to the office establishment accompanying him which is restricted to one clerk and two peons.

4. The concession requested by the Director is thus similar to the one granted to the Surgeon-General, except that the former wants to stay six months on the hills.

5. Orders are solicited.

T. KANAKASUNDARAM PILLAI—5-7-02.

The question is one for settlement, I imagine, in the Public department.

A. T. PRINGLE—5-7-02.

The question is one for this department first. I can see no reason for making a distinction between the Surgeon-General and the Director of Public Instruction. Just at present the Government will probably require to consult the latter more frequently than the former. I suggest, therefore, that the Director of Public Instruction may be allowed to remain four months on the hills on the same terms as the Surgeon-General. It is in any case desirable that he should stay on this year, for there are still many of the Simla Conference questions to be settled.

H. A. STUART—6-7-02.

There were many reasons last year for detaining the Director at head-quarters: during this year I do not recall one occasion even when it was necessary to consult him personally. I think also that it would be well for the general work of the department if the Director were to be more on tour than he is, and have been about to say so. I therefore do not support this proposal.

Circulate please.

J. T[OMSON]—8-7-02.

There seems to me no analogy between the cases of the Surgeon-General and the Director of Public Instruction. The former has little to do and what he has is connected with the Sanitary Board and appointments while the work of the Director of Public Instruction is much and important and does not lie at Ooty. I think the proposal should be negatived.

I agree.

G. S[TOKES]—9-7-02.

A[MPHILL]—10-7-02.

I understand that it is not to do under the circumstances. The Government have now passed final orders and there is therefore no question of "concurrence" of another department.

A. T. PRINGLE.

P. T. THARYAN—11-7-02.

The draft may issue.

A. T. PRINGLE—12-7-02.

It is unnecessary to send this to the Public department. The draft may issue.
