The Secretary to Government,

Educational Department.

Through the Accountant-General,

With reference to para.5 of my R.C.No 1178/02,

dated 5th March last read in G.O.No 176, Educational, dated 26th idem I have the honour to request that you will be so good as to obtain the sanction of Government to the employment of the following additional temporary establishment in the Aluminium department and in the Weaving, Carpentry and Miscellaneous departments of the School of Arts out of the lump provision sanctioned for the several departments in the current year's budget.

Department.	Lump provision.	Extra establishment applied for.	
Aluminium	Rs.1496	1.Clerk on Rs.30	✓
		2.Clerks on Rs.25 each	50 ✓
		1.Clerk on Rs.20	20 ✓

Miscellaneous	Rs. 420	1.Modeller on Rs.18	18 ✓
		1.Clerk -----17	17 ✓
			35 X 12 = Rs.420

2. Excepting the two appointments on Rs.25 each in the Aluminium department, which Mr.Chatterton proposes to fill up whenever the necessity for them arises, all the other appointments are intended for men whose appointments were either abolished in G.O.No 283, Finl. dated 27th March 1902 or were objected to by the Accountant-General as having been created without authority. To meet the exigencies of work in the Aluminium department Mr.Chatterton entertained extra hands and paid their salaries from the provision for "Wages of workmen". This procedure appears to have led to some correspondence between him and the Accountant-General, a copy of whose letter terminating the correspondence is herein enclosed. As it is reported that the men holding these posts have not received their salaries from 1st March last I request that the appointments be sanctioned with effect from that date.

3. The usual proposition statement is herewith submitted in duplicate.

4. As the arrangement under which these temporary establishments are now sanctioned is likely to cause much unnecessary correspondence and the frequent submission of proposition statements, inasmuch as every temporary alteration in the sanctioned scales of pay of these establishments, that may be necessitated by changes in the work or in the qualifications of the men employed, will require a reference to Government, I request that I may be entrusted with the power of sanctioning the temporary establishments of the School of Arts or any changes in them, within the limits of the budget provision. I may mention that under G.O.No 927, Financial, dated 20th September 1900 I am permitted to sanction temporary establishments for the offices of Inspecting officers.

I have the honour to be,

Sir,

Your most obedient servant,

T. R. S. S.

For Director of Public Instruction.

From W. Dobbie, Esq., Accountant-General, Madras.

To

The Officer in Charge

Aluminium Department of the School of Arts, Madras.

Sir,

With reference to your letter No A1/4880 of the 18th of January 1902, I have the honour to point out that the reasons urged in your letter do not admit of the classification under the Head "Wages of workmen" of the salaries of men who are not workmen and which should correctly be classified under the Head "Extra Establishment". It is not permissible to escape the limitations imposed by existing orders by the device of incorrectly charging the expenditure to a Head of Account over which you have absolute control. If the existing conditions imposed in regard to the extra or temporary establishment are incompatible with a proper control by you over that establishment and therefore with the efficient conduct by you of the Aluminium industry the proper course to be followed is to make a reference to Government and to ask for such a relaxation of the conditions as may be necessary. In writing thus I am referring to the principle involved rather than to the particular cases which have given rise to this correspondence.

I have &c &c
