The District Forest Officer,
South Malabar

Respected Sir,

I beg most respectfully to state
that I was appointed Range clerk of Pulghat on
June 1888 and have put in a service of 14 years.

I passed the Matriculation Examination in 1886
and the Account Test Lower Grade in 1891 and
I have not yet passed the Handwriting test though
I appeared 10 times for the test & have no hopes of
passing by appearing again.

I believe, I have given entire satisfaction
to my superiors in keeping accounts and office work
and in the general discharge of my duty.

I belong to the "Ezharu caste" one
of the backward classes mentioned in Government
order no. 89 dated 10th August 1892. I further respect-
fully beg to bring to your honor's notice that
the Government notifications give preference to
backward classes of boys studying in Government
schools, viz fees are levied from children of backward
classes at half the standard rates prescribed in
para 8 of the above notification. A copy of the
Govt.

will be kind enough to consider my long service in

as a special case, from the handwriting test in
view of advancing my prospects. In which act of
kindness I shall as in duty bound, ever pray
for your honour's long life and prosperity.

I beg to remain,

To

The Collector of Malabar, Calicut.

Office Note.

I beg to forward herewith an application from R. Kuppelan Range Clerk, Palghat for exemption from Hand-writing Test, & to state that his case is a special one deserving of consideration and your support.

2. He has been Range Clerk on Rs. 12 for the last 14 years. As he has not passed the Hand-writing Test and has no expectation of doing so having failed 10 times he cannot expect to get a promotion in the clerical line on Rs. 15 and above though he has passed the Account Test Lower Grade.

The applicant belongs to Izhuva caste which the Govt., has declared to be a backward class Vide Govt. notification No. 56 dated 24th October 1895 published at pages 480 to 502 of the Fort Saint George Gazette dated 5th November 1895, and I understand that there are only a few Izhuvans in the Govt., employ in the superior service in this District.

The application itself is the specimen of his Hand-writing.

3. Under the above circumstances I recommend that he may be exempted from passing the Hand-writing Test. His service Book shows no punishments or censures recorded against him & the fact that he has worked satisfactorily as Range Clerk for 14 years entitles him, I think, to exemption. His services should have been dispensed with before this, were his failure to pass considered an absolute bar to promotion.
