Sir,

I have the honour to submit for the favourable consideration of Government the applications from the marginally not-

the Handwriting and Dictation Test ever since he passed the University Entrance Examination in December 1897. He now prays that he may be exempted from the Handwriting Test in view to his being confirmed as a clerk on Rs.15.

3. The other man, K.Sayyid Sahib, has passed the Primary Examination. He is the permanent Attender of the Hadagalli Taluk Office. Out of his total service of about 10 years he has been almost continuously acting since 1896 in superior service as a clerk on Rs.15.

4. The Tahsildars under whom these two clerks now serve speak highly of their usefulness and the Head Assistant Collector strongly recommends that they may be sent up for exemption.

5. I know both these clerks and in my opinion the handwriting of No.1 is much better than that of many who have passed the test. But I would not venture to support his exemption on this ground. My main reason for submitting the cases for

the orders

the orders of Government is that the applicants are hardworking and trustworthy Muhammadans, who have virtually qualified for appointment in the Rs.15 grade by steady service in that grade for several years. In this district it is very difficult to obtain passed candidates of any caste for low paid vacancies, and the Muhammadan element is very poorly represented. As the Government is always willing to encourage the Muhammadan community, I would strongly recommend these two individuals for special exemption. It would be understood that the concession - only entitled them to confirmation on Rs.15.

I have the honour to be,

Your most obedient servant,

that an application may be made on

Returned to the Collector with a

present acting in the Division.
He has just been appointed
Shroff of Hospet Taluk.

I strongly recommended the applicant
for permanent exemption. He
has served longer than anyone
except the District Officer of
Tharpanahalli, and the
Tahildar has more than one

told me that he is one of
the most useful hands in
the office. In spite of the
Board's remarks I intend to
submit that it is not easy
to get passed men even for
permanent vacancies. The

one application.

HOSPETT.

To

The Collector of
Bellary
through the Head Ant. Collector of
Hospett

Sir,

I, S. Abdul Karim Ag. Coler & Salug
office Hospett most respectfully beg to bring the
following into your honor's kind consideration.

I passed the Matriculation Examination
held in December 1896. and continued my studies
for H. A. for about 5 months in 1897. but I
was obliged to discontinue my studies on account
of my pinching poverty as I had already incurred
debts for the studies up to the Matriculation
Examination.

In the famine of 1897 I was appointed
a Kitchen Superintendent on Rs 20-00 at Hospett
which lasted till the end of October 1897. In
November 1897 I was appointed an acting clerk
in the Salug office Hudlgi side H. A. Ant. Collector
order D. No 2330 11-11-97, thence I was transferred
to stationary Sub-Magistrate's office Hudlgi side
H. A. Ant. Collector's order D. No 618 1898. I was
again appointed a Sub-protem special and
clerk in the Salug office Hospett side H. A.
Ant. Collector's order D. No 926 8-6-00 which continues
up to date.

From the time I passed the Matriculation
Examination in 1897 up to May 1902 I
appeared for the Handwriting and Dictation
Test Examinations but did not get through it.

The Collector R. C. C. Leao Esq. while
in camp at Hospett on 15/5/02 condescended himself
to

to enquire into the matter referred to above, and to see my handwriting and to say that those who write a worse hand than this have gone through the Examination.

It is an admitted fact that English education among the Mohammedans is in a deplorable condition. To mitigate this evil to a greater extent and to encourage English education among the Mohammedans the British Government condescended itself to arrange for the half payment of school fees in the all the schools and colleges. Every effort is being made by the Government to promote English Education among the Mohammedan Community. Unqualified Mohammedans are given permanent postings in the Government service. In the Bellary district especially in the Western Taluqs not a single qualified Mohammedan except my brother at Haddagalli is to be found. I am the only Mohammedan Matriculate in the Western Taluqs, a native of Harapanahalli.

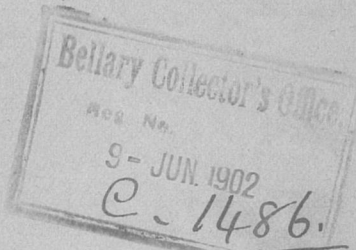

In the Hernal district 35 Candidates not even Matriculates (like myself who is a matriculate) have been permanently exempted and confirmed in their appointments on Rs 15 and Rs 17 1/2.

I have been acting on Rs 15-0-0 from 1897 to 1902 putting in service of about 6 years.

Under these circumstances I beg to submit that I may be permanently exempted from passing the Handwriting and Dictation Test Examination and confirmed in the present appointment as a clerk in the Taluq office Hospett for which I shall ever pray.

Forwarded to the Collector and recommended. It is not possible to get paid men for all the vacancies, and it seems ridiculous to remove a Matriculate for a man who has only passed the lower Secondary.
