2. The Principal, Medical College, reports that the petitioner was dismissed for failure in four subjects and total marks at the Final Examination held in March 1899 and that the request contained in para 3 of the petition is against the rules of the College. I cannot therefore recommend it for the favorable consideration of Government.

The humble petition of
S. Davanayagam Iyengar Late
Burmah Hospital Assistant Stu-
dent of Madras Medical College
residing at No. 4 Singarachari
Street Triplicane

Most Respectfully Sheweth:-

1. That the petitioner was trained in the Medical College for the Hospital Assistant Grade Examination, at the expense of the Government. After successfully completing his three year's course in the College without any remansion every year, he was sent up for the Board in which failing to obtain the required minimum in two or more subjects, he was, under the rules declared ineligible to appear for the Board of Examination any further as a private candidate.

2. That the prospects of the petitioner have been thereby seriously blasted and in spite of his numerous petitions for the past three years to the immediate authorities concerned (The Director of Public Instruction and The Principal of the Medical College), he has failed to secure exemption to appear

C. No. 1042.

SUBJECT.

Dismissal of hospital assistant
student from the Medical College.

This petition may also perhaps
be referred to the Director in continuation
of G.O. no 341 Est. 5/7th June 1902.

It is submitted that a reference is unnecessary
within case. The petitioner failed in four subjects
and it seems advisable that he subjects
himself to a further training for nine months
if he wants to appear again as a private
candidate. For the Director ~~has~~ ^{seems to have considered} ~~conceded~~ ^{that he may}

2. It is perhaps not generally known that these
Surma & Military students do not like to accept
service as soon as they pass out, but if they
resign they have to refund their scholarships.
It is not therefore difficult for them to neglect
their studies in the ~~last~~ final year if they know
that they can easily appear & pass out as
private students ^{during} the following year. The
Govt will thus lose all the scholarships they
pay such students.

The Govt. may
