From

Cient. Col. J. C. Marsden Esq  
District Medical & Sanitary Officer,  
Cumbalora

Dear Sir,

Govt Training School, for Madras,  
Cumbalora

With reference to your letter no 478 of  
27<sup>th</sup> June 1902, I have the honor to state that I  
have inspected the site in question and I quite  
agree with you that the latrines and cow sheds  
described are in dangerous proximity to the Training  
school building and that the school latrine itself  
is much too close to the main building. I am of  
opinion that the whole of the block of buildings  
bounded by the roads to the E and S, should be  
acquired, the buildings removed and the ground  
put into a sanitary state. A new iron school  
latrine on the standard plan should be erected  
and it should be located at the extreme end  
of the acquired site.

I have the honor to be,  
Sir,

Your most obedient servant.
