Educational Department.

In reply to endorsement No 188, dated 21st July

1902, I have the honour to say that I do not think the applicant should be admitted to the Sub overseer's class merely on the strength of the fact that he is in the 5th form of a high school. Boys are not unfrequently found to be studying in forms for which they are not fit. There is nothing to prevent the applicant from appearing for the Lower Secondary Examination and he should do so if he wishes to qualify for admission to the College of Engineering.

I have the honour to be,

Sir,

Your most obedient servant,
