Scholarships to Europeans and Eurasians.

Approving, with remark, the draft notification submitted by the Director of Public Instruction relating to the award of—

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Honourable Mr. G. H. STUART, M.A., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, No. T-4, dated 14th July 1902.

With reference to my remarks in my Ref. on C. No. 4100, dated 13th June 1902 regarding the award of scholarships to Europeans I have the honour to submit herewith a draft notification for the approval of Government.

ORDER—No. 469, dated 11th August 1902.

The draft notification as modified by the Government, is approved.

2. The Director should submit proposals for special examinations for these scholarships in future.

(True Extract).

		8	3rd year	
	5	12	2 years	F. A. Classes.
	2	20	2 years	B. A. Classes.
	2	30	2 years	M. A. Classes.

These scholarships will be awarded for the present in accordance with the conditions specified in the Government Scholarship Notification for 1902.

2. Applications should be made to the Director of Public Instruction and should be sent through the heads of the institutions in which the candidates are studying or in which they intend to study.

NOTES CONNECTED WITH G.O., No. 469, EDUCATIONAL, DATED
11TH AUGUST 1902.

[SUBJECT.—*Scholarships for Europeans.*]

From the Director of Public Instruction, C. No. T. 4, dated 14th July 1902.

In paragraph 6 of their letter recorded in G.O., No. 755, Educational, dated 16th December 1901, the Government of India remarked that no scholarships were specially assigned for Europeans in the Madras Presidency, and urged that steps should be taken to reserve a certain number of scholarships for them in all stages of education. They were of opinion that these scholarships should be of three grades—primary, middle and high—and that in the case of boys studying in the primary and middle grades, the scholarships should be awarded on the results of special examinations which would be free from the objections urged against public examinations such as the primary and the lower secondary, and that in the case of boys in the higher grade the scholarships should be awarded on the results of the school final examination.

2. In replying to these remarks the Director stated that no scholarships were reserved for Europeans in institutions either for general or special education and by way of encouragement to that class recommended a scale of scholarships. The Government approved of this scale and embodied it in their reply to the Government of India—*vide* paragraph 6 of Educational letter No. 175, dated 26th March 1902.

3. The Director now submits a draft notification on the subject for approval. **A** The draft has been very badly prepared and contains no information as to the conditions of award and such like matters which are necessary. It will be seen that these conditions are given in the existing scholarship notification of this Government and in chapter 9 of the Code of Regulations for European Schools in Bengal, which the Government of India refer to in the letter already quoted. It is therefore **X** submitted that the present draft notification may be returned to the Director and he may be asked to revise it on the lines of the existing scholarship notification.

4. It is a question for consideration whether a separate notification is necessary **B** to regulate the scholarships for Europeans. It is submitted that no separate notification is necessary and that information about the number and rate of scholarships for Europeans can very easily be embodied in the Government scholarship notification.

5. Information about the scholarships for Europeans in the Medical, Engineering and Training colleges need not be embodied, it is submitted, in the scholarship notification; it would come in better in the rules relating to those institutions. Provision for scholarships for Europeans already exists in the rules of the Engineering and Training colleges—*vide* rules 61 and 64 of the College of Engineering rules and rule 17 (2) of chapter VI of the Madras Educational Rules. If this provision is not **C** considered sufficient it may be altered and increased.

T. KANAKASUNDARAM PILLAI—24-7-02.

As regards the point raised at **A** it is submitted that the present draft is that of a supplementary notification. It notifies the institution of certain additional scholarships. All that is needed seems, therefore, to be a paragraph at the end of the draft that the conditions laid down in the Government scholarship notification and in the Engineering College, the Medical College,* and the Teachers' College rules will apply to these scholarships.

* Page 49 of the calendar.

2. In regard to the point raised at **B** the circumstances of this year are special and these scholarships cannot now be included in the notification which has already issued. From next year the Director will, no doubt, issue a consolidated notification and make the necessary alterations (with the sanction of Government) in the rules of the colleges concerned. Just now the Eurasian and European public requires intimation about the institution of these scholarships and this can be given only by the issue of the present draft.

3. As to **C**, the Director may be trusted to take steps to have the rules altered. The file may perhaps be shown to him unofficially. It has already been too long delayed in Madras.

P. T. THARYAN--26-7-02.

I think that the suggestion under **A**—which I have marked **X**—may be followed and a fresh draft asked for. As to **B**, this is alternative to **A**. I think there are advantages in the special notification, and that it should stand.

2. As to **C**, what is stated is quite correct, but this notification, if we publish it at all, may be made complete in itself.

A. T. PRINGLE--28-7-02.

I have spoken to the Director, and the Second Assistant is right. I have made pencil additions to the draft, which may now be approved. The matter is urgent.

2. The Director will submit proposals for separate examinations for these scholarships later on. Attention may be drawn to this in the order.

H. A. STUART--7-8-02.

A proof of G.O., No. 469, Educational, dated 11th August 1902, is submitted for approval. Should Financial see it before issue?

P. T. THARYAN--13-8-02.

The Financial department should, I think, see it.

A. T. PRINGLE--13-8-02.

H. A. STUART--13-8-02.

To the Financial Department.

FINANCIAL DEPARTMENT.

The cost in the current year on account of the scholarships, if they are granted with effect from the 1st September 1902, will amount to Rs. 2,500 in round figures; there is a lump provision of that amount in the budget estimates under 22-H. EDUCATION—*Scholarships*. Submitted that the file may be returned to the Educational department with thanks.

A. L. PINTO--16-8-02.

C. S. SIMPSON--16-8-02.

G. S. FORBES--16-8-02.

To the Educational Department.
