AUGUST.

Local Fund girls' school at Udamalpet.

Sanctioning the Director's proposal for taking over the — and transferring the proposition statement to the Financial department.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, Madras, to the Secretary to Government, Educational department (through the Accountant-General), dated 3rd July 1902, Ref. on Cur. No. 1060.

I have the honour to request the sanction of Government to the provincialization of the Local Fund girls' school at Udamalpet in the Coimbatore district as a salary-results girls' school. The members of the Victoria Memorial Committee in that station who originally started the school as a memorial to the late Queen-Empress were of the opinion that the permanence of the memorial would be ensured only if the school were placed under the management of the Local Fund board or of Government and on their making representations to that effect to the Taluk Board of Pollachi, this body assumed charge of the school in August 1901 on the understanding that the cost of the upkeep of the school would be met by public subscription [please see paragraph 4 (3) of G.O., No. 368 L., dated 27th February 1901]. The President of the District Board, Coimbatore, who considers that this arrangement is not conducive to the efficient working of the school recommends that it be taken over by the department of Public Instruction and the Inspector supports the proposal. As this is one of the Local Fund institutions whose transfer to departmental management was sanctioned in G.O., No. 1313 L., dated 12th August 1901, there is no objection to its conversion into a Government institution.

2. The school has 133 pupils on the rolls with three in the fourth or highest class. If the institution continues to receive the same encouragement that it appears to have hitherto received from the public there is every likelihood of its developing into a fairly strong lower secondary school in the course of a few years. I beg to add that I am informed by the President that, should the Government be pleased to sanction the proposed transfer, the committee are prepared to hand over to Government along with the school (1) the site of the school with the building whose market value is estimated to be Rs. 2,200, (2) furniture costing Rs. 150, and (3) Rs. 3,000 in cash as an endowment. This amount may be invested in Government promissory notes in the names of the Accountant-General and the Director of Public Instruction, the interest being utilized for any suitable purpose connected with the school. Detailed proposals on the subject will be submitted after the school has been transferred to Government.

3. The charges relating to this institution will be met from the lump provision of Rs. 8,200 sanctioned in the current year's budget for new girls' schools. A

proposition statement showing the establishment recommended is submitted in duplicate for sanction. I also request sanction to the marginally-noted items of expenditure under supplies and services and contingencies.

ORDER—No. 475, Educational, dated 14th August 1902.

The Director's proposal to take over the Local Fund girls' school at Udamalpet is sanctioned. The establishment recommended for the school is reasonable and the proposition statement will be transferred to the Financial department.

2. The detailed proposals promised by the Director regarding the property belonging to the school are awaited.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 475, EDUCATIONAL, DATED
14TH AUGUST 1902.

[SUBJECT.—*Provincialization of the Board girls' school at Udamalpet.*]

From the Director of Public Instruction, R. C. No. 1060, dated 3rd July 1902.

The Financial department may be asked if there is any objection to approving and transferring the proposition statement to them. If there is none, orders may issue in this department for the taking over of the school.

2. As regards the question raised by the Accountant-General there is no objection to vesting the funds of the school in him as Treasurer of Charitable Endowments.

K. KANAKASUNDARAM PILLAI—25-7-02.

P. T. THARYAN—28-7-02.

A. T. PRINGLE—29-7-02.

The proper course seems to me to be for this department to sanction, with the concurrence of the Financial department, the taking over of the school. The proposition statement will then be transferred to the Financial department with the remark that this department considers the establishment reasonable.

2. As regards the Accountant-General's proposal, I wish to know what is the usual practice and what advantage is gained by making the Accountant-General sole trustee.

H. A. STUART—31-7-02.

The draft placed below may issue with the concurrence of the Financial department.

2. With reference to paragraph 2 of the Secretary's note, it is submitted that the usual practice is to invest such sums in Government securities in the names of the Accountant-General and the Director, but there are two instances in which trust funds were vested in the Treasurer of Charitable Endowments—*vide* G.Os., No. 304, Educational, dated 30th May 1899, and No. 193, Educational, dated 7th May 1900. The advantage of this procedure is that if at any time it is necessary to make any change in the terms of the trust it can be effected without application to the High Court. As Treasurer of Charitable Endowments the Accountant-General cannot act in the administration of the trust except in accordance with the provisions of the Act (IV of 1890)—*vide* sections 8 and 10. It is however submitted that this point may be considered when the Director's detailed proposals are received, and that meanwhile the present draft may issue.

P. T. THARYAN—2-8-02.

A. T. PRINGLE—2-8-02.

H. A. STUART—3-8-02.

To the Financial Department.

FINANCIAL DEPARTMENT.

The proposition statement shows that the additional cost involved in the provincialization of the local fund girls' school at Udamalpet comes to Rs. 62 *per mensem*, or Rs. 744 *per annum* on account of establishment, and to Rs. 5 *per mensem* or to Rs. 60 *per annum* for contingencies, etc. The extra cost thrown on Provincial funds by alterations sanctioned in permanent establishments with effect from the 1st April 1902 comes to Rs. 1,13,009 *per annum*.

The Educational department is satisfied that the school should be provincialized.

T. HARI ROW—7-8-02.

The provincialisation of girls' schools maintained by Local Boards is in accordance with the declared policy of this Government—please see paragraph 4 of G.O., No. 1337 L., dated 3rd August 1900. This department may, it is submitted, accept the proposal for which there is budget provision.

C. M. SCHMIDT—10-8-02.
