To The Private Secretary to His Excellency the Governor
Thro' The Secretary to Government,
Educational Department.

Sir,

Mr. J. B. Bilderbeck, Principal, Presidency College, having been permitted in Gazette notification No 16, dated 28th February 1901, to combine his furlough with the summer vacation of the College for 1902 which commenced on Monday, the 12th May last, the acting arrangements made during his absence should in the ordinary course of events be considered to have expired on the above date; but as Mr. Mark Hunter who was acting for Mr. Bilderbeck as Professor of English was appointed in Gazette notification No 38, dated 12th April 1902, to act as Principal, Rajahmundry College, in the furlough arrangements of Mr. Hall and as he joined the latter institution on its reopening on the forenoon of the 30th June last after availing himself of the summer vacation and without reverting to his permanent appointment at the Mangalore College, the series of acting arrangements made in consequence of his deputation to the Presidency College continued undisturbed. The Accountant General, however, considers that these acting arrangements should have ceased on the 12th May last and that all the officers concerned in them should have reverted to their respective permanent appointments after that date, and he objects to the payment to them of not merely the acting allowances claimed by them but also of their substantive pay.

2. The reversion of Mr. Mark Hunter to the Mangalore College and of the other officers in the chain to their respective permanent appointments at different stations when all the Colleges were closed for the summer vacation would have caused

unnecessary inconvenience to the officers concerned besides involving Government in considerable expense in the shape of travelling allowances, as the same officers would be required to join the acting appointments which they held prior to the 12th May immediately Mr. M. Hunter took charge of the Rajahmundry College. Further the object of the Government of India in introducing the new leave rules referred to in their Resolution communicated with G.O. P. No 128, Educational, dated 7th March 1901, was to effect a material reduction in the number of transfers and this object would not have been attained if the acting arrangements in question had been disturbed. As the easiest solution of the difficulty I beg to suggest that Mr. Mark Hunter be now considered to have acted as Junior Professor of English, Presidency College from the 12th May to 29th June 1902, both days inclusive vice Mr. E. H. Elliot, on other duty as acting Inspector of schools, Central Circle. This arrangement will not benefit Mr. Hunter as he will still draw his own pay, viz, Rs. 450 during this period, but it will enable the other officers who were acting during his deputation to continue in their acting appointments so long as Mr. Hunter is on other duty and to draw any acting allowances to which they might be entitled under the rules. It was not originally intended to fill up Mr. Elliot's place in the Presidency College during his employment as acting Inspector of schools, Central Circle, but the difficulty that has now presented itself was not then foreseen.

I enclose for the approval of His Excellency the Governor the necessary minute of ~~an~~ appointment.

I have the honour to be,

Sir,

Your most obedient servant,

J. N. Sar

For Director of Public Instruction.
