The Secretary to Government,
Educational Department.

Through the Consulting Architect to Government.

Sir,

I have the honour to request the sanction of Government for the payment to Rai Sahib Namberumal Chetty of a sum not exceeding Rs 308 under the following circumstances.

2. When the Chemical Laboratory of the Presidency College was being fitted up with furniture, gas apparatus etc. with reference to G.O. No. 764, Educational, dated 14th September 1895, Dr. Wilson considered the desirability of introducing filter-pumps into the laboratory, and asked M.R. Ry Namberumal Chetty, who had charge of the work, to obtain the pumps. The order was accordingly executed, but Namberumal Chetty appears to have forgotten to include the charge on that account in the estimate submitted to Government. As the pumps were supplied and fitted up, Namberumal Chetty is entitled to be paid for them, and Dr. Bourne recommends that the actual cost, viz., Rs 308, exclusive of interest which Namberumal Chetty probably will not claim now, be paid.

3. The charge can be met from the provision for laboratory charges in the budget estimate of the Presidency College for the current year. On receipt of the sanction of Government the necessary transfer of allotment

3
allotment will be made by me under Rule 94 of the Budget rules.

I have the honour to be,

Sir,

Your most obedient servant,

T. H. Scott

For Director of Public Instruction.

No. 1622, 11th August 1902

Forwarded to the Chief Engineer. The claim was first brought to the notice of this Office deputed officially by Dr. Wilson in April 1901 when the estimate to which it relates was closed, and Dr. Wilson was advised to address the Director of Public Instruction to obtain the sanction of Govt to the purchase of the pumps.
