Sir,

I have the honour to request the sanction of Government to the employment in the Madras Medical College, for six months, of five assistant demonstrators of anatomy, two on a salary of Rs.50 per mensem each and three on a salary of Rs.100 per mensem, the rank pay of a temporary assistant surgeon. Two of the assistant demonstrators are required for the Hospital Assistant department which has not yet been separated from the College while for the College and apothecary departments three men are reported to be necessary on account of the large number of students to be taught, viz 180, the largest number on record. Although the vacancies were advertised in the gazette, only two qualified men applied and these have been entertained on a salary of Rs.50 per mensem with effect from 1st and 10th July 1902. As no more private candidates are available, the Principal suggests that, as in previous years, the Surgeon-General may be asked to lend the services of three graduate temporary assistant surgeons on a salary of Rs.100 each, the rank pay of their grade. In the circumstances stated, this seems to be the only course possible and I beg to recommend that it may be approved with effect from 1st September next. On receipt of sanction, the Surgeon-General will be requested to lend the services of the men required. The entertainment of a similar temporary establishment for last year was sanctioned in G.O.No 268, Financial ~~Educational~~, dated 26th March 1902.

2. In consequence of the intended transfer of the Hospital Assistant department to Rayapuram, a provision of Rs.600 only has been made for the purpose in the budget estimate of the College for the current year, being the amount required for two assistant demonstrators on Rs.50 each. But as the Rayapuram school has not yet been opened and as three additional demonstrators on Rs.100 per mensem have to be employed, the total expenditure will

2 at Rs.50 each for six months------600 :
3 at Rs.100 each for six months------1800 :
2400 :

amount to Rs.2400 (2 X 50 X 6 + 3 X 100 X 6). The excess of Rs.1800 over the budget estimate may be met from the provision made for the Rayapuram school. The necessary proposition and reappropriation statements are enclosed.

Sir,

Ac. 12465, with linked file.

In continuation of my letter Ref.on C.No 5191,dated 16th inst. (submitted through the Accountant-General) in regard to the employment of assistant demonstrators of anatomy in the Medical College, I have the honour to state that the Principal has now written to say that the Professor of Anatomy desires to have the services of a female demonstrator on a salary of Rs.50 per mensem for the female students in the place of one of the three temporary assistant Surgeons on Rs.100 originally asked for by him. I beg therefore to submit revised proposition and reappropriation statements to be substituted for those sent with my letter quoted above.

I have the honour to be,

Sir,

Educational departt

The draft placed below may issue with the concurrence of the Finl depart.

As regards the question of resuming a portion of the grant, the fact seems to be that the Director's estimate of the amount ~~available for re-appropriation is wrong~~ required for expenditure in the current year omits some items for which further re-appropriation is necessary. So long as the hospital assistant departt of the Medical college remains, an allowance of Rs100 per mensem is payable to the Surgeon of the First district & of Rs50 to the Apothecary attached to the Native infirmary for the clinical instruction of the hospital assistant students at Rayapuram. There is no provision for these payments in the Medical College budget & they come to no less than Rs 1800 in 1902-03. The actual amount available for ~~transfer~~ resumption is thus only about Rs 300. This is too small for the purpose. A better course will be to wait till the revised estimate comes in and whatever savings there are can then be resumed.

The draft may issue. There is no need to ask Finl dept. to express concurrence; they have already concurred.
