GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Commissioner for Government Examinations, Madras, to the Secretary to Government, Educational Department, dated 11th August 1902, No. 134/1-D.

With reference to G.O., No. 172, Educational, dated 26th March 1902, I have the honour to enquire whether the persons referred to therein are all or some of them required to have passed the general education tests prescribed in article 2 of the public service notification. If they are exempted from passing these tests, and it is intended that the possession of the diploma in agriculture alone shall qualify them for the appointments specified, a clause giving effect to this intention will have to be added to the other clauses under article 4 of the public service notification, which deals with concessions granted to persons who do not possess the necessary general education qualifications for superior service under Government. If, on the other hand, the appointments in question fall under the operation of the ordinary examination rules, all that is necessary is to include them under article 5 of the public service notification, in schedule B to this notification, the examinations for the diploma in agriculture being "tests of a special, professional or technical nature" which candidates are required to pass before appointment to particular posts.

Alternative draft notifications to be published in the Gazette are submitted for the approval of Government.

ORDER—No. 541, Educational, dated 5th September 1902.

The following notification will be published in the *Fort St. George Gazette*:—

NOTES CONNECTED WITH G.O., No. 541, EDUCATIONAL,
DATED 5TH SEPTEMBER 1902.

[SUBJECT—*Alterations in the Public Service Notification.*]

From the Commissioner for Government Examinations, No. 134/1-D, dated 11th
August 1902.

In G.O., No. 256, Educational, dated 2nd May 1902, the Commissioner for Government Examinations was requested to submit a draft of the alterations in the public service notification rendered necessary by the decision of Government to make the possession of the diploma in agriculture compulsory for native assistants to the Director of Agriculture and certain other officers.

2. In the current read above the Commissioner raises the question whether the possession of the diploma is to be demanded in addition to the general educational qualification required under article 2 of the public service notification and submits alternative draft notifications for approval.

3. It seems plain that the possession of the diploma is to be prescribed as a special qualification in addition to the general educational qualification demanded of all officers in the superior service, namely, a pass in the upper secondary examination or the matriculation examination with the handwriting and dictation test. As the draft notification submitted by the Commissioner is not in proper form another has been prepared in the office and it may be approved and published in the *Fort Saint George Gazette*.

4. The draft placed below may therefore issue with the concurrence of the Revenue Department.
