To

The Secretary to Government,

Local and Municipal Department.

Sir,

Copy enclosed. With reference to the Resolution of the Municipal Council dated the 1st instant regarding the Municipal girls' School Mayavaram, I have the honor to submit as follows:-

2. At its meeting held on the 1st April 1901, this Council in recording the G.O. reviewing the Budget report of this Municipality for 1901-1902 requested me to address Government in view to make provision in the Provincial Budget for the maintenance of the Municipal girls' School under depart-

2nd Sheet

mental Control with effect from 1st April 1902. Agreeably to the above resolution, I in my letter no: 547 of 1901 dated the 15th June 1901 represented to Government the desirability of its taking the management of the girls' School from 1st April last and requested orders for the necessary provision being made in the budget of the department. The Director of Public Instruction to whom the matter was referred recommended in his Ref: on current no: 5774, dated the 2nd August 1901 that the Council's proposal may be approved and further said that if it is sanctioned, the necessary provision for the charge will be made in the next year's (1902-03) budget.

3. The Government in its order no: 444, Educational, dated the 9th August 1901,

Com

Communicated in G.O. no: 1294 M.
 No. dated 5th September 1901
 sanctioned the Director's recom-
 mendation. As the order was passed
 sufficiently early for the inclusion
 of the necessary provision in the
 Provincial budget of the current
 official year, it was thought that
 the school would actually be taken
 up from 1st April last, and the
 Council accordingly made no
 provision in the Municipal bud-
 get. But no arrangement seems
 to have been made by the depart-
 ment to give effect to the order
 and the Director of Public
 Instruction in his circular
 no: 3097 dated 9th June
 1902 issuing instructions for
 the submission of budget proposals
 for 1903-1904 observes that the
 proposals for the provincializa-
 tion of the school will be submitted

for the sanction of Government at an early date and that until the orders are received, provision should continue to be made in the Municipal budget. As it is not now possible either to make a fresh provision or to effect savings under Education etc. from which the extra charge can be met, I most respectfully submit that orders may be issued for the payment of the establishment and other charges of the school with effect from 1st April last. The long paid teachers are suffering much.

I have the honor to be,
