EP 19

To

The Secretary to Government,

Educational Department.

For,

A building for the Government Training school, Chicacole in the Ganjam District is one of the works included in Class B works of the budget of the Public Works Department for the current year. The Inspector of schools, Northern Circle, reports that the site on which the present rented school building stands is centrally and conveniently situated for the purposes of a training school and the Executive Engineer considers the site suitable. I am informed that the property may be purchased for about Rs. 2000. I have therefore the honour to request that the Collector of the District may be instructed to take immediate steps to acquire it under the Land Acquisition Act and that instructions be issued to the Public Works Department to prepare the necessary plans and estimates as soon as possible in consultation with the Inspector of schools, Northern Circle. I further request that the construction of the building for the Chicacole Training school may be transferred to Class A works and that steps may be taken to spend a sum of Rs. 10,000 in connection with this building during the current year. In my letter Ref. on C. No. 3377/02, dated 1st July 1902 I stated that I would address Government on the subject of the transfer to the Public Works budget of a sum of Rs. 50,000 out of the provision for building grants in the Educational budget. This communication in which I propose to transfer Rs. 40,000 only I am addressing to Government separately.

I have the honour to be,
Sir,
Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
