Proceedings of the Director of
Public Instruction No.2476 of 1902.

Para 2. The appointment of a Taxider-
mist.

The Principal considers such an
appointment in this Institution un-
necessary for the following reasons:-

1. There would be no adequate
return, in the way of qualifying
boys for earning their bread, for
the time and money expended.

2. Where are subjects to be
found for the instruction of the
boys ?

3. Mr. Van Ingen declined to
take boys on instruction when
approached on this subject.

Para 3. Discrepancy between figures
given in the Headmaster's report and
that of the Committee.

Children, on joining the Asylum,
are at once brought on the school
strength. New admissions are kept in
quarantine and when discharged join
their classes and are then brought on
the class registers of attendance.

Para 3. The pupil who absconded
from the Madras Municipal Workshops.

This was a boy named Lawrent,
who left the Workshops without leave
and joined his father at Negapatam. He
is now employed as a Fitter in the
S.I Railway Workshops at Negapatam.
