The present District Munsif M. R. Ry U. Ranga Row Garu and his predecessors have expressed a good opinion of him as will be seen from the accompanying copies of Mr Ranga Row's letter and testimonials.

I have the honor to be,

Through

K. C. MANAVEDAN RAJA Esq., B. A.,
District and Sessions Judge,
NORTH ARCOT.

The humble petition of
C. Mahammad Abdullah Sahib
6th Clerk, District Munsif's
Court, Chittoor.

MOST RESPECTFULLY SHOWETH:—

1. That his father Mr. Mahammad Ghouse Sahib was a District Munsif of the Courts at Vellore and Palmanair in the North Arcot District for several years and won the hearts of the people by his honesty and ability.

2. That owing to his hard and zealous work as Munsiff his health failed, and in the year 1870 he was taken so alarmingly ill that his doctors were of opinion that he was fit only for light work, and his immediate superior the District Judge C. G. Plumer Esquire also concurred in their view and in his letter dated 29th July 1870, that Gentleman strongly advised him to resign his appointment and enroll himself as a Vakil of his Court.

3. That in accordance with the well-meant advice of his superior he resigned his office in 1870 and joined the local bar. And as a Pleader also he was very successful and was held in high esteem by the public.

4. That in the year 1881 he was again bed-ridden. He feared that his days were numbered and did not know what to do for the future up-keep of his large family consisting of more than two dozen souls, to whose demands his savings were hardly adequate.

5. That then the District Judge C. G. Plumer Esquire who had a regard and sympathy for the petitioner's father, sent for the petitioner and conferred on him the place of a copyist in his Court but no better place could be bestowed as he was then in his teens and did not possess the requisite educational qualifications.

6. That with a view to bettering his position and prospects, he appeared at the Middle School Examination held in 1883 with Tamil, one of the languages of the District, for his

optional language, but was unfortunately placed in the 3rd class. He has since learnt Telugu also both to read and write.

7. That in the District Munsiff's Court, Chittoor there was a dearth of English knowing Clerks in 1886. Excepting the Head Clerk, others were ignorant of English, and the then District Judge H. T. Knox Esquire was pleased to send the petitioner to that Court as a process-writer. But in fact ever since that time he has been a very useful assistant to all the Head Clerks and his subsequent transfer to the Regular Establishment and copies of testimonials printed and enclosed herein will amply bear testimony to it.

8. That owing to the pressure of heavy office work to which he has had to devote his heart and soul for full 8 hours every day, he was not able to apply once again for any of the examinations so as to qualify himself for higher appointments and if he had ever attempted at it, it should have been only in prejudice to his office work.

9. That now owing to the stringency of Examination rules his claims are being overlooked and he is passed over in every arrangement. And in spite of his hard and honest work his position has not been improved and he is now the same illpaid clerk as he was years ago but with a large family to support.

10. That in the regular establishment of the Judicial Department in this District, there are not even a handful of Mahammadans, and excepting Your Excellency's poor petitioner there is only one else and he is a clerk in the District Court.

11. That he most humbly and respectfully prays that Your Excellency-in-Council will be so gracious and merciful as to take into your kind and favorable consideration, the reputation of his father, his own honesty and sincerity in the due discharge of his duties, and above all the backward rather the degenerate and pitiable condition of his community, and to exempt him from the operation of the Examination rules.

12. That should this prayer be considered as not permissible, your humble petitioner humbly craves your Excellency to relax these rules, so that he might have the fortune of obtaining his gradual promotion at least to the extent of Rs. 30 in the Judicial or any other Department of our Benign British Sovereignty.

Your Excellency's most obedient

and humble servant,

CHITTOOR,
4TH JULY 1902.

C. Muhammad Abdullah

COPIES OF TESTIMONIALS OF Muhammad Abdullah Sahib.

Sheik Abiulla, process writer writes a neat hand in English and therefore was very frequently engaged in the fair-copying of Judgments which work he did very satisfactorily, he is humble and respectful in his behaviour and in my opinion he richly deserves promotion which he would not get if he is not recommended for exemption from Examination and I strongly believe that any of my successors will kindly help him in that respect.

He generally assists the Head Clerk and writes an excellent hand in the English language. He is attentive to his duties and obedient to his superiors, and belongs to a respectable family.

Memo dated 15th January 1896.

Before giving over charge of this Court over which I have presided for about 3 years and 5 months, I feel it my duty to record such remarks as I deem necessary, concerning the working of the establishment attached to it.

Of the Process writers, Abdulla Sahib is the most intelligent and hardworking man.

I have great pleasure in giving this certificate to Clerk Abdulla Sahib of the District Munsif's Court of Chittoor, over which I presided for nearly 3 years. Though long employed as an Amin of this Court, he was really doing the work of the regular establishment and proved a great help to the Head Clerk in discharging his onerous and multifarious duties. And when an opportunity presented itself I transferred him to the regular establishment on the same pay and I only regretted my inability to advance him further, on account of the service rules. His is a strong case for exemption of the examination rules. He possesses the ability, intelligence and honesty required for discharging his duties efficiently and he is doing it too. And I once more regret that he could not be given any advancement on account of the rules.

(Signed) J. M. NALLASWAMI,
District Munsif.

I have much pleasure in certifying that Abdulla Sahib, Clerk of the District Munsif's Court, Chittoor is efficient, hardworking and honest. I have known him for nearly two years and he has given me entire satisfaction in the discharge of his duties.

This is to certify that Abdulla Sahib has been discharging his duties to my entire satisfaction. He is systematic and does his work in proper time. He appears to me to be also trustworthy.

THE

District Judge of

North Arcot.

SIR,

I have the honor herewith to submit a petition addressed to His Excellency the Governor in Council by Mhd Abdullah Sahib, 6th clerk of this Court praying for exemption from examination rules up to a stated standard of promotion. Mhdullah Sahib's present pay is Rs 5 and he has served on that salary for a period of fully 7 years without promotion.

2. The facts set forth in the petition submitted, as also the testimonials attached thereto, speak for themselves. Though I have worked in this Court for just a year, I feel confident that I have seen and watched Mhdullah Sahib and his work well enough enable me to warmly support his prayer in the petition submitted. There is hardly any doubt

from my little experience that far and away
Abdulla Sahib is the most systematic as well as
the most energetic of all the hands in the Court.
For, for the larger portion of his service, Abdulla Sahib,
though as a subordinate, has been chiefly entrusted
with the money matters of the Court and has been
found to be an exceptionally honest hand throughout.

3. The petitioner Abdulla Sahib is the son of a
respectable District Munsif. He is in his own person
far above the average respectability, obtaining usually
in the ministerial establishments of Courts. The testi-
monials of nearly each of my predecessors in this
Court bear out my convictions with regard to
Abdulla Sahib's integrity, intelligence, the method
of his work and the energy of his character. In
two instances of the testimonials submitted, a regret
is expressed in open terms that Abdulla Sahib has
not passed examinations such as should have enabled
his promotion. One of these two is as old as 1888.
The other testimonials discover in effect the same
regret as underlying the expressions of regard for
Abdulla Sahib and his work as set forth.

4. It would afford me, as I venture to submit,
genuine pleasure to help Abdulla Sahib in my own
humble way to get clear of the obstruction for
his promotion. To this end I do not hesitate
to request that you will be graciously
pleased

to submit the application in question through
proper channels to His Excellency the Governor
in Council, and with your support also.

I have the honor to be,

Sir,

Your most obedient Servant
