Sir,

To

His Excellency The Right Hon'ble -
Lord Ampthill G.C.I.E.
Governor of Port Saint George in Council.

The humble petition of Mr
Shubker Hussain Sahib -
residing at Aroalkonda
North Arcot District.

Showeth,

I, as a Grandson of the late Hon'ble
Mir Humayun Jah Bahadur C.I.E. and a nephew
of the Hon'ble Nawab Syed Mohamad Sahib Bahadur,
was exempted from passing the Matriculation
Examination and the Handwriting Test and was
allowed to appear for the Criminal Lower ex-
amination in G.O. no 843 dated 2nd Nov 1894.
I was appointed a Police Inspector and soon af-
terwards passed the Criminal Lower examination for
Port Saint George Gazette page 14 dated 26. 1. 16.

2. While in service, I discharged
duties fearlessly and won the Golden opinions of
several of the District and European Division
Magistrates but unfortunately Mr Stevens
the then Deputy Inspector General fell in
blood with me for reasons better known to him
on the one side and Messrs Defann and Ag-
in the absence of Mr Ag-

Came down to the District and sent in a very long report against me to the Inspector General recommending my probation to cease (vide his letter no 96 dated 16th April 1897) but thanks to the fair mindedness of the Hon^{ble} Mr Hammiel C.B., he forwarded that report in original form for my explanation and in my defence I had to submit several records and attack Mr Stevenson (letter dated 15th May 1897), this was forwarded to him for his explanation and Mr Stevenson submitted one on 5th June 1897. On perusing all these records the Inspector General Mr Hammiel considered my explanation to be satisfactory in his order no 2263 dated 30th June 1897 and in the same order recommended me to Government for many more concessions which were also granted. A perusal of all the above records will convince your Excellency in Council that Mr Stevenson the acting Inspector General is a gentleman who bears a grudge to me for a long time past - I am afraid I have used a harsh word but I may submit that after all Mr Stevenson is only a human being who is liable to err either intentionally or unintentionally.

3. That after this Mr Stevenson again recommended to the Inspector General the cessation of my probation during the regime of the then acting Inspector General Mr Stuart, and it was accordingly sanctioned. As soon as I received the orders I sent in a long representation to Mr Hammiel who in his order no 2859 dated 25th July 1898 directed me to apply for employment in any other department as I was certainly eligible for employment because the acting Inspector General had recommended me for the same.

Employment into the other departments of the Govt Service I appeared for some of the Special Tests in 1900 and the Secretary to the Commissioner for Government Examinations felt a doubt if I was entitled to appear for the said examination in his letter no ^{2D} 212 Dated 8.9.1900 and on Mr Hammeck's opinion that G.O. no 843 of 2nd Nov 1894 read with G.O. No 475 dated 27th June 1894 was a general one I was admitted vide his letter N ^{2D} 235 Dated 20th September 1900.

5. That again in July 1902 I appeared for the Special Tests and the very same reference (as alluded to in the above para) was made by the Secretary to the Inspector General who happens to be Mr Stevenson and the Secretary in his letter no ^{2D} 173 Dated 23rd August 1902 informs me that Mr Stevenson has written to him to say that he has recommended to Government that the order of exemption granted to me should be cancelled. I submit, my Lord, that even a criminal in the British Raj is given an opportunity to know the charges and evidence against him and to rebut the same and as such I submit that I am also entitled to know what the Inspector General Mr Stevenson has written against me in order that I ^{may be} given an opportunity to explain matters before I am condemned, and pending which I pray that your Excellency in Council will be graciously pleased not to pass any orders on Mr Stevenson's recommendations - I further beg to be excused for any unintentional insubordination I may have committed in writing this memorial for my feelings at this moment can better be

6. I may also be permitted to submit that after I left the Police Service in Dehann as a member of the Board of Revenue recommended me to the Government for a Deputy Collectorship (his letter dated 9.8.1898) and spoke of me as "a remarkable intelligent young Mussulman of very respectable connections" and Mr Davidson in offering me an appointment in the Board of Revenue in his letter dated 2.4.1900 said that he would be very willing to give me a high paid Clerkship if I cared to apply for one and I had to decline the offer with thanks. These were among others who had an opportunity to know my abilities and judge of my work.

7. Under the foregoing circumstances I therefore once more pray that your Excellency in Council will be pleased to defer passing any orders cancelling the exemption granted to me as recommended by Mr Stevenson and to forward for my explanation Mr Stevenson's letter recommending the same if your Excellency is willing to take that recommendation into consideration. For this act of kindness I shall as in duty bound ever pray.
