To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request that you will be so good as to obtain the permission of Government to provide in the budget estimates for 1903-04 for the following increases in the number and salaries of the teachers in the Government girls' school, Madura.

2. The following scale of establishment was sanctioned for the school in G.O.No 413, Educational, dated 6th June 1890.

|                           |              |
|---------------------------|--------------|
| 1. Headmaster or Mistress | Rs. 20       |
| 1. Assistant do           | 15           |
| 1. 2nd do                 | 12           |
| 1. 3rd do                 | 10           |
| 1. 4th do                 | 8            |
|                           | <hr/> Rs. 65 |

The institution was then of the lower primary grade but it has since developed into a first grade lower secondary school with the 3rd as the highest form and at the last inspection in September 1901 it had 152 pupils on its rolls. The staff, however, has remained the same and in consequence all the three lower secondary classes are taught by the headmistress and the 3rd and 4th classes by the 1st assistant. It is obvious that the efficiency of the school cannot be maintained with so inadequate a staff, and I therefore recommend the appointment of two more teachers and a revision of the scale of salaries as shown below:-

|                  |    |               |
|------------------|----|---------------|
| 1. Headmistress  |    | Rs. 25        |
| 1. 1st assistant | do | 20            |
| 1. 2nd do        |    | 15            |
| 1. 3rd do        |    | 15            |
| 1. 4th do        |    | 12            |
| 1. 5th do        |    | 10            |
| 1. 6th do        |    | 10            |
|                  |    | <hr/> Rs. 107 |

I have the honour to be,
