To

The Secretary to Government,
Educational Department.

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for a rental of Rs.20 per mensem for the Government girls' school, Chidambaram, with effect from 1st October 1902.

2. Miss Carr, the Inspectress, at her last inspection of the school found the condition of the present building for which a rent of Rs.7 was sanctioned in G.O.No 280, Educational, dated 21st April 1891 to be so bad that she considered it necessary that the school should be removed from it as soon as possible. She immediately visited several buildings in the town and found that there was only one building that was in any way an improvement on the present one but that it would need certain alterations and improvements to adapt it to school purposes. The owner of the new house consents to carry out the necessary improvements which have been estimated by the Public Works Department to cost Rs.600, if he is allowed a rent of Rs.20 per mensem. The Sub Division officer of Chidambaram considers that the building in its improved condition would be worth Rs.18 per mensem. Considering the difficulty experienced in securing a good building in a place like Chidambaram, the initial expenditure which the owner has to incur in carrying out the necessary alterations, and the fact that the building under reference is in a central locality, I recommend that a rent of Rs.20 be sanctioned.

3. The proposal involves an extra expenditure of Rs.65 for the current year. This amount may be met from the unexpended portion of the allotment under rent for the educational offices

in Tanjore which were removed some months ago from their rented buildings to the buildings in the Sivaganga Fort which belong to Government.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
