Educational Department.

Sir,

In G.O.No 685, Educational, dated 25th November

1901 a grant of Rs.12000 was sanctioned on my recommendation towards the construction of a building for the American Mission Training school for Mistresses, Madura. The estimate as revised by the Public Works Department, by whom the work is being carried out, comes to Rs.59000 and the maximum grant that can be paid on this amount is Rs.19666. At the time I was unable to recommend a larger grant than Rs.12000 payable in three instalments, as the total allotment for building grants was small, and there were large arrears waiting for payment. Now that funds are ample I have the honour to recommend that an additional grant of Rs.7666 be sanctioned bringing the total grant to Rs.19666, the maximum admissible under the Code. I further recommend that the condition of payment by instalments be withdrawn.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
